Military Band. Victor Double-faced Record 18370. Ten-inch, 75c. "A HOT TIME IN THE OLD TOWN" AND "THE GIRL

Two famous war tunes which seem to have a perennial hold the affections of American and English soldiers. "A Hot Time" saw valiant service in the Spanish-American war, while the British Tommy always marches or sails out of England to the tune of "The Girl I left Behind Me". The Victor Military Band has made a masterly record of these two gems. Step in and have us play them-or any other music you wish to hear.
