United States Government. But do you know what it is and how it operates?

It is a plan by which every man, woman and child in the nation can help the Sam win the war.

Uncle Sam win the war.

Uncle Sam win the war.

Uncle Sam win the war.

There are millions of citizens who could not afford to buy Liberty Bonds.

The War-Savings Stamp plan is devised especially for this class.

But if you did buy Liberty Bonds, you can also help win the war by buying M. S.—War-Savings Stamps.

The Thrift and War-Savings Campaign is open to all. Uncle Sam has appealed to all citizens, rich and poor alike, to join in this great thrift movement. It has two purposes:

First, it will provide two billion dollars in one year to help finance commission has to say Second, it will teach thrift to all. It will transform us from a nation of second.

It is a plan by which every man, woman and child in the nation can help stored to the original fabric and destone and the stored to the original fabric and destone and the stored to the original fabric and destone as sould be maded to craw it down upon it. We stationed tree shaded boulevards; even its poore or quarters lack the sordidness of the Anglo-Saxon slum. The flower markets, the promenades, the cares, are thronged with loungers, not of the leisure classes, but workmen in their three is what the finance commission has to say about it:
