BOARD OF RELIEF CLOSED ITS LABOR

Last Monday evening the board of relief closed its labor and the books are now ready for the state tax commission to inspect and make such deductions from as he may see fit. As a result of the investigations of the board of relief the town's grand list has been increased by \$200 over and above the amount arrived at by the board of assessors.

It was found by the board of relief that a barn valued at \$200 had been omitted from the list of the assessors. There was a ten per cent penalty charged for omitting to make out and present that tax list, and this sum was added to the total footings of the town's grand list. Some of the town's growers about town came before the board of relief with complaints about their tax lists. Upon a more close examination of the figures it was found that these men had no substantial ground for disapproval at the work of the board of assessors. When the facts in the case were properly presented the complaints were withdrawn. The grand list at present stands at \$22,647,302.

In conjunction with the levying of the tax rate next Monday evening a plan of the conditions of the different appropriations made at the annual town meeting was given interesting setting. The figures show that the appropriations are in fairly good shape with the exception of that for highways. Out of an appropriation of \$20,000 but \$8,563.94 remains. In the expenditures are included over \$6,000 which went to the Spruce street improvements. OVER 4000 MEN FOR MILITARY

The military enrollment, preparation of which was assigned to Francis Smythe, contained a total of 4,000 names. There were 145 exemptions. The new showing is that at this writing there were found to be 3,850 men liable to be called upon in this town to perform military duty. This report was turned over to the selectmen by Mr. Smythe and they attached their signatures to the document, after giving it official sanction. This list will be kept for reference at the War Department of the state of Connecticut.

Our Glenwood Goodwill Club

What Is It?

We call it a Goodwill Club because we know from past experience that every owner of a Glenwood Range is not only enthusiastic about her Glenwood to every one she talks with, but wants all her friends and neighbors to have Glenwoods.

Our Glenwood Goodwill Club grew out of the conviction that every woman WOULD have a Glenwood if the means were provided. We furnish the money without interest with the following understanding:

You pay us \$10.00 down and \$2.00 weekly until the price of the stove has been paid in. At that time, if you have missed none of the payments, we will allow you ten per cent discount, or in other words the best cash price.

If you have an old stove that is not working satisfactorily, now is the time to exchange. Let us give you a price anyhow.

Modern Woodmen of America in U. S.

PROVIDING FOR FIFTEEN HUN RED ORPHAN WAR BABIES IN FRANCE.

One Babe is to be Supported by Each Camp. Burden of Cost Distributed Over Wide Area Lightens Load. Great Work of Mercy.

The Modern Woodmen of America have undertaken the prodigious task of caring for 1,500 orphaned French war babies. This is to be done by distributing the burden among the vast membership of the United States. There are 1,600 camps of the Modern Woodmen of America, and each of these camps is to furnish the necessary funds to provide for one of the orphaned French war babies. This is a work of mercy that is most commendable and well worthy of emulation by all other American fraternities.

The membership of the Modern Woodmen of America is composed of working men. The French babies that are placed among the "orphaned" are without any considerable amount of this world's goods. This fact leaves them in financial straits and the assistance being rendered them by the Modern Woodmen of America will come to them as a double blessing because of its timeliness as well as of its necessity.

This charitable work should render the name of the Modern Woodmen of America a household word in the homes of the French people of the working masses, and bring down upon the members of that order the heartfelt benedictions of the sorely distressed widows and mothers of war stricken France.

Obituary

MRS. JENNIE SQUATRIZZA Mrs. Jennie Squatrizza of 164 Oak street died at her home last night after a week's illness with a complication of ailments. The funeral will be held from the residence tomorrow morning at 9:30 o'clock. The body will be placed in the vault at the St. James cemetery. Mrs. Squatrizza was a native of Italy, was 65 years old and resided in South Manchester for the past 25 years. She was the widow of a soldier. She is survived by three children, Joseph of New Haven, Rosalie of South Manchester, and one daughter, who lives in Italy.

MRS. SUSAN LAY Mrs. Susan Lay died Wednesday at the home of her brother, Frank M. Saunders in 11 Ridgewood street. Funeral is to take place tomorrow afternoon at 2:30 o'clock at the address given above. Rev. J. S. Nellis of St. Marys Episcopal church is to officiate. Mrs. Lay had been feeble for a long time but bore her sufferings with patience and fortitude. She always wore a gentle smile and person not acquainted with her intimately never heard her utter a word of complaint. She was able to get about most of the time. She was 65 years old and was the widow of the late Richard Lay who died some 25 years ago. Mrs. Lay is survived by four brothers, William of East Hartford, Charles of Wallingford, Frank Saunders of South Manchester, and two sisters, Mrs. Flebia Downs of East Hartford and Mrs. Judson W. Cobb of South Manchester. Mrs. Lay was well and favorably known by a large circle of devoted and admiring friends.

Honor Pupils

Honor pupils were announced yesterday at the South Manchester High School as follows: Valdemar Anderson, daughter of John A. and Mrs. Anderson of Village street; Barbara Lord, daughter of C. O. and Mrs. Lord of Cooper Hill street; Edna Waldhart, daughter of James and Mrs. Waddell of Birch street.

Theodore Anderson of the Naval Reserve came up from the Brooklyn Navy Yard this forenoon on a furlough which he is spending with his parents, Charles and Mrs. Anderson of South Main street.

Close Evening Schools

The evening schools in South Manchester will close their labor next Tuesday evening, with the exception of the three classes which are being conducted for the purpose of teaching the English language to people of foreign nations. These classes are to be continued for four weeks longer. There are some 50 persons who are endeavoring through the medium of the local evening schools to acquire a working knowledge of the English language. These classes are under the direction of the following teachers: First year class, Mrs. Florence Hillaberg; second year class, Miss Florence Krapowicz; third year class, Miss Mary Curran.

A son has been born to First Lieutenant Herbert Biswell of the Depot Brigade now stationed at Camp Devenus, Ayer, Mass. Mrs. Biswell is living at Shirley, Mass., a hamlet adjacent to the camp. By this birth Mrs. Biswell is the mother of a son, which is a great relief to her, as she has no other children.

Mr. L. Warkock of School street has as her guests Thomas and Mrs. McCoub of New Haven. They formerly resided in South Manchester where they are well and favorably known.

WILL EXAMINE ALL MEN IN CLASS ONE

OF SELECTIVES FOR FOURTH DISTRICT NEXT WEEK AS TO PHYSICAL FITNESS

Doctors Will be Notified. Local Tests Will Take Place at Barnard School as Herebefore. More Men Going Away From Here Next Week.

The exemption board of the fourth district with headquarters in East Hartford is making arrangements to examine all the registered men in class one. Several men have been advised and will examine the latter part of next week. As heretofore part of the examining will be done in South Manchester in the Barnard School for the convenience of the men. The rest will be done in Wells Hall.

In the absence of Emil L. G. Holsenthal, chairman of the board, who is in Chicago at a prohibition convention, the work has been placed in the hands of Chief Clerk J. Priestly and his assistants, Miss Ruth Clough and Mrs. Hector Laberge.

This district has been sending a number of men away two or three times a week all winter and is far above the required quota. It is estimated that there has been an average of twenty men sent away each week since early in the winter. These men have gone as volunteers and as such a number has been sent it was not necessary to call men for the last 15 per cent. The local district has sent more men in proportion than any of the districts in Hartford.

When the call came a few days ago for machinists, many applied and showed their desire to be sent by the board to the front. It is estimated that there has been an average of twenty men sent away each week since early in the winter. These men have gone as volunteers and as such a number has been sent it was not necessary to call men for the last 15 per cent. The local district has sent more men in proportion than any of the districts in Hartford.

Two South Manchester boys have been selected for military service. One is Alexander A. McDonald and Oratio Aloni. They will go Monday.

Washington, March 7.—Recall class, according to physical condition of the men called in the next army draft, is provided in revised instructions for medical advisory boards, which are being sent to the local boards throughout the country. The new regulations, made public tonight, require that every man wanted before the board shall be put in one of the following four classes: (A). Acceptable for general military service, after being cured of remedial defect; (B). Acceptable for special or limited military service in a specified capacity or occupation; (C). Rejected and exempted from any military service. It is the intention of the provost marshal-general to provide later for the further investigation and classification of the men acceptable for limited or special service, so that record may be made of the sort of work each of those men may be assigned to do without endangering his health.

Under the new regulations, many ailments and defects which gained exemption from military service in the past, now will result only in their being listed in group B. Such men, if they choose, will be given the privilege of securing the services of their family physicians in the effort to remove the defect, but if they have not availed themselves of this privilege within a specified time, they will be called into military service and ordered to a cantonment base hospital, a reconstruction hospital or a civic hospital, as may be designated by the surgeon-general.

Suffered Several Years. PERUNA MADE ME WELL

Its My Standby for a Cold.

Mrs. Elizabeth Reuther, 1002 11th St., N. W., Washington, D. C., writes: I endore Peruna as a splendid medicine for catarrh and stomach trouble. I have suffered several years. I took it for several months, found my health was restored and have felt splendidly ever since. I now take it when I contract a cold, and it soon rids the system of any catarrhal tendencies.
Those who object to liquid medicines can procure Peruna Tablets.
