MEMORANDUM

George H. Waddell, town treasurer, submitted his report to the board of selectmen for the month ending June 1.

Local Paragraphs

INTERESTING ITEMS BOILED DOWN FOR BUSY READERS

James Finnegan of Birch street has bought a building lot on Biswell street from James and Mrs. Smith. The lot is one hundred and twenty feet square. Mr. Finnegan intends to construct a two tenement house on the property.

About thirty members of the Rockville and Hartford lodges of Elks who reside here attended the institution of a new lodge of Elks in Wallingford Wednesday afternoon and evening. The local men made the trip in automobiles and report having had a merry time in Wallingford.

The partnership existing between William F. House and Robert N. Pallette under the firm name of the People's Hat Market has been dissolved. Mr. Pallette retiring from the firm. The business will be conducted by Mr. House who will have his two sons associated with him.

Manager Dowd of the Athletic baseball team announces that he has booked the National League New Haven as the attraction on the Mt. Sebo field next Sunday afternoon. The Athletics are to play the Cheney Comstock team at Ivoryton tomorrow afternoon, the members leaving here at noon by auto truck.

Mrs. Sarah J. Danlap is in a very critical condition at the home of her daughter, Mrs. George Johnson, 96 Biswell street. Mrs. Danlap has been sick for the past three weeks and as she is well along in years her relatives are fearful that she may not recover.

The annual outing of the City Club will take place at Sovin park Sunday, June 22, instead of at North Coventry lake as had been previously announced. The members will make the trip in autos.

Tips to Authors.

A youthful aspirant applied to a successful author for advice as to how to succeed in literature. "You need indomitable perseverance, a type writer and a mangle," was the reply. "Do you mean I had better take the creases out of your manuscripts. Mangle them well, and then, unless the editors have earned their cigarette ash, no one can tell they have been out before."

WOODEN SHINGLES ALL RIGHT

Leading Cities Throughout the Country Have Refused to Forbid Their Use.

There are only a dozen or so of the larger cities where the use of wooden shingles is especially barred. At least 45 of the largest cities, including New York, Chicago, Philadelphia, Cleveland, San Francisco, Dallas, Tex.; Detroit, Mich. and on down through even to the national capital, permit the use of wooden shingles within their corporate limits outside of the congested zone.

"This," an architect says, "is sufficient proof that the advantages of the wood-shingle roof in residential districts are still recognized. It is rather unfortunate for the logic of some of those most strongly opposed to the use of wooden shingles that their own home their own families under such a roof."

An investigation revealed further that some cities after enacting their own anti-shingle ordinance, either have repealed or are planning to repeal such ordinances. Houston, Tex., for example, after having enacted a law, repealed its anti-shingle ordinance. In that city it was found that the effect of the ordinance was to retard the progress of the building of small houses by one per cent of the building of small houses as compared with the corresponding period of the previous year. In refutation of the claim by the makers of substitutes that wooden shingles frequently cause great congestion, investigation shows that of the 47 fires involving losses of more than \$500,000 in 1917 throughout the country, only one occurred in a residence section where wooden shingles predominated—Exchange.

Not to Be Thought Of.

James was asking his mother a lot of silly questions, such as, "Why are your eyes blue?" His mother said, "Why do you ask such silly questions when you are trying to read?" "What are you reading, Ma?" "The Bible," she said. "Why do you want your eyes to be blue?" "I want you to be able to read the Bible without a difficulty in its study."

FRENCH MINERS MAKE DEMANDS

Fifty Per Cent Wage Increase and the Adoption of the Eight-Hour Day.

IN NATURE OF ULTIMATUM

Possibility That Workmen of France and Britain May Act in Unison—General News of Importance in Labor World.

A congress of the Union of the Miners of the Pas de Calais, France, took place at Valenciennes, France, the most important questions dealt with were those of the eight-hour working day, which, together with an increase in wages, is demanded by all the miners. Though there is unanimity in making the claim from the nine owners, both the rate of increase and the means of securing the acceptance of the demands were the subject of a long and sometimes heated discussion at the congress. A resolution was finally adopted, demanding a wage increase of 50 per cent for every section of mine workers; the eight-hour day; and that the demands of the miners of the Pas de Calais union should be made known to the French railway employees, as well as to the British miners and railway employees.

The demands of the wireless operators on British mercantile vessels for an increase in wages have been accepted and the strike notice has been withdrawn.

The first wage conference held under the new minimum wage law for women in private employ in the District of Columbia reported a minimum wage of \$15.50 per week.

For the first time in the history of Wisconsin, Minn., a union labor ticket was successful at the polls and elected Julius Proetz, union wagon shop foreman, mayor of the city. The date polled 1810 votes against 1,309 for his opponent, W. F. Kohler, president of the Minnesota Harness company, who was elected mayor.

The governor of New York indorses the minimum wage bill for women, one of the six measures comprising the so-called women's legislative program, announced by various women's organizations. The governor sent his indorsement to the legislature in a message urging that this, the Foley-Reverly bill, receive favorable consideration.

By a vote, street railway employees rejected a counter-proposition of the Mahoning and Shenandoah Railway company to their recent demand for higher wages, by which the company offered to continue in effect the part scale of 45, 40 and 48 cents an hour which expires April 1. The men demanded a rate of 48, 53 and 55 cents.

The "no beer no work" strike program for July 1 was endorsed by 400 delegates of the New Jersey State Federation of Labor and State Building Trades Council at a joint meeting.

The delegates, however, adopted resolutions urging congress to repeal both wartime and permanent prohibition and calling on President Wilson for aid.

The ballot of the Welsh miners gave a majority of 123,127 in favor of accepting the report of the commission which, headed by Justice Sankey, recommended improvements in working conditions. The vote was: For acceptance, 142,566; against, 19,443. Other mining districts similarly have approved the report. This, it is believed, assures the acceptance of the commission's recommendations by the miners' convention.

The carpenters' strike at New York was settled when Supreme Court Justice Hughes, upon rendering a decision which was accepted by both sides. Carpenters in and around New York will get an increase of 21 cents an hour, provided they accept the terms of the agreement. Until July 1 carpenters employed on shop work shall receive \$5.50 a day and those on the outside, after that date they shall get \$5.75 for shop work and \$6.25 for outside work.

Employees of the Brooklyn Rapid Transit company, who are members of the Amalgamated Association of Street and Electric Railway Employees of America, voted on Wednesday to definitely strike to enforce demands for higher wages, shorter working hours and recognition of their union.

LOCAL MAIL SERVICE TO BE IMPROVED

BEGINNING NEXT MONDAY THERE WILL BE THREE DELIVERIES DAILY IN BUSINESS SECTION

Earlier Mails for All Within Letter Carrier Zone. Extensions in Several Sections. Lack of Improved Sidewalks Prevents This On Some Streets

As a result of an inspection of the city carrier routes at the South Manchester postoffice recently by Post Office Inspectors P. D. Colvin and Frank J. Buckley, Postmaster Thomas J. Quish has been notified by First Assistant Postmaster General J. C. Koons that he will be allowed an additional city carrier after June 15th.

There will also be installed at that time a three trip service for the business section on the east side of Main street from the trolley terminus at the south to the Post Office. This section will be served in two routes.

The five other routes, which will receive mail one hour earlier than heretofore. For the past two weeks three of the residential routes have been receiving practically this same early service.

The following extensions to the city routes have been made by the postoffice inspectors: Cooper Hill street, from West street distance of 600 feet, 11 houses, 93 families; Fairfield street, entire street, 900 feet, 21 houses, 40 families; Hartford road, from West street to No. 406, 800 feet, 11 houses, 32 families; Summer street, from present limit to No. 130, 400 feet, 5 houses, 10 families; Center street, from No. 97 to No. 499, 200 feet, 2 houses, 2 families; a public garage; Florence street from No. 73 to Clinton street, 200 feet, 7 houses, 8 families; Oak street, from Clinton street to Glenwood street, 400 feet, 8 houses, 18 families, 1 store.

Extensions examined by the post office inspectors and not recommended for various reasons as follows: North Main street, 100 feet, 10 families, reason for non recommendation, sidewalks not in condition and not 50 per cent improved.

School street, 500 feet, 2 houses, 3 families, not 50 per cent improved.

Stone street, 600 feet, 5 houses, 8 families, detached.

Stone street, 600 feet, 4 feet, 3 houses, 4 families, detached and not 50 per cent improved.

Fairview street, 500 feet, 3 houses, 4 families, sidewalks poor and not 50 per cent improved.

Clinton street from Oak to Florence, 400 feet, 3 houses, 4 families, no sidewalks.

The business route carriers will report at postoffice at 7:40 a. m., leave post office for route at 8:30 a. m. and return by 11:40. They will then serve the business section from the postoffice to the south terminus and from the post office to the center, leaving post office at 11:55 a. m. and returning from street service at 12:40 p. m.

The afternoon trip for these carriers will start at 2:40 who they will report to trip for their mail leaving the office for route at 2:55 p. m. and returning from street service at 5:40.

ITALIANS WILL CELEBRATE AT JARVIS GROVE

Big Outdoor Carnival Tomorrow Afternoon and Evening Until Midnight

Members of the Christopher Columbus Society are planning on a big time at Jarvis Grove, East Center street tomorrow afternoon and evening. The fun will start at 2 o'clock in the afternoon and will be practically continuous until midnight.

There will be one hour intermissions each from seven o'clock until eight. During the afternoon there will be field exercises for which prizes will be awarded. There will also be dancing afternoon and evening and a prize walk will be one of the features of the evening. Music will be furnished by the American Band orchestra. Prizes of a large live rooster and a big fancy cake will be awarded during the evening. Ice cream, sandwiches and soft drinks will be for sale. A very joyful time is anticipated. The event is open to the public. A large outpouring of pleasure seeking is expected. W. C. Wittels will be judge of the prize walk. This event will start at 10 p. m.

DWYER PROPERTY SOLD

SPRUCE AND MAPLE STS.

The property at Spruce and Maple streets known as the Annie Dwyer property, was sold last Monday to Michael Stavitskiy, the transfer being made through the agency of Robert J. Smith. There is about one acre of land in the purchase, a two tenement house, barn and outbuildings. Mr. Stavitskiy will occupy one of the tenements and rent the other. There is sufficient frontage on Spruce and Maple streets for two or three more houses, and it is possible that Mr. Stavitskiy will build a double tenement on Maple street this year. The property is too valuable to be left unproductive. It must be made to furnish revenue for the owner. The house has been occupied for one year since the death of Miss Dwyer.

Miss Dwyer's sister, Mrs. Stephen Tobin of Rockville, the only surviving member of the Dwyer family became sole heir to the property at the death of her sister. The purchase price of the estate was \$6,500. There were four different persons here who had standing offers for that sum. Mr. Tobin on behalf of his wife was looking out for \$8,000. That was why the transfer was not made long before.

Foresters Elect

At the meeting of Court Manchester Foresters of America Tuesday evening choice was made of the following officers for the coming term: Chief Ranger, Clarence Frost; assistant chief ranger, John T. Munroe; recording secretary, Harry Jung; junior woodward, James Munroe; junior woodward, Nicholas Marcantonio; senior beadle, Stephen Duguet; junior beadle, H. Angell; lecturer, J. Leon Duguet; pianist, Richard Johnson. These officers will be installed at the meeting to be held at the evening, July 15. Deputy Grand Chief Ranger John P. Limerick of Court Nutmeg will be the installing officer.

LADIES NIGHT AT ARMY AND NAVY CLUB

A committee of which William Newman is chairman, has been named by the Army and Navy Club to arrange for a ladies night to be held at the club house on Friday evening. Each member of the club will be privileged to bring one lady friend. The committee will arrange an attractive program for the event which will include dancing and refreshments. Through the kindness of Miss Ednah Cheney a complete pictorial review of the world war and several popular magazines have been donated to the club. The Victrola and player piano are being kept busy every evening by the members of the club who are going to the club house in larger numbers than at any time in its history. The pool committee is arranging for a tournament to start soon. The secretary reports that over three hundred applications for membership have been received during the past few weeks. The next meeting will be held Friday evening.

HONORABLY DISCHARGED HAVE ARRIVED HOME

Local soldiers, sailors, etc. who have reported at the War Bureau during the past few days as having been honorably discharged from the service have been met at the War Bureau by a total of 700 persons who have registered at the local War Bureau up to noon today.

Real Estate Sales

Robert J. Smith reports the following real estate sales during the past few days: Twelve-roomed house on Hamlin street for James Chisholm to Mary Hope of Cottage street. Four-family house on Church street owned by William and Mary Neill to Jules Pilliere of Griswold street. Two-family house on Flower street owned by John and Ida Mason to James and Annie McCollum. Four-family house on Eldridge street for Mary Petrus to David Carson of Center street.

L. T. Wood Company Find Plenty in Stafford Springs. Using It Now. Price Will Continue High However

The L. T. Wood Company have located a large quantity of ice at Stafford Springs and auto trucks of the local office are making their place to bring ice to South Manchester.

Mr. Hohenthal Presided

Emil I. G. Hohenthal of South Manchester was in Philadelphia this week attending the 75th annual convention of the Sons of Temperance of North America. Delegates from all points of the United States and of Canada were present. Mr. Hohenthal was the presiding officer. He is most worthy patriarch of that body. That is the most exalted office which the organization affords. The bridegroom is shown every possible honor and distinction at the hands of his fellow workers in the ranks of the Sons of Temperance.

ESTABLISHED 1893

SOUTH MANCHESTER CONN., FRIDAY, JUNE 20, 1919

PAY-AS-YOU-ENTER TROLLEY CARS HERE

WILL BE USED BETWEEN SOUTH MANCHESTER AND HARTFORD NEXT SUNDAY

Have Seating Capacity for Sixty Persons—Collections in Second and Third Zones by Conductor. Cars 60 Feet Long and Speedy

Two new pay-as-you-enter trolley cars were received at the local barns last evening and are to be used on the lines between here and Hartford. These cars are part of a fleet of eight ordered many months ago for use on the local lines but delivery of which has been held up. The cars were supposed to be received here last February.

This new rolling stock which will replace the present equipment is the latest word in trolley car construction. As has been stated they are pay-as-you-enter type but require no collection of fares. The cars are six feet longer than any of the present rolling stock and will seat thirty persons. They have a larger seating capacity than the open trolley cars now in use. The two cars which were run out to the local barns last evening have been given the once over by many persons and this morning the trolley cars were stationed around the cars inspecting them.

One of the new features of the cars will be the heating system. The cars are equipped with automatic heating apparatus which will maintain an even temperature at all times. A thermostat arrangement is employed which when set at a certain figure will allow the heat to shut off automatically.

Wider seats, more room between seats, push buttons at every seat and other conveniences for passengers are found. The motors of the cars are also larger than those used at present and will allow for faster speed during the run between here and Hartford. Trolley men who viewed the cars this morning were out at all points making the pay-as-you-enter cars would work out advantageously on the lines between here and Hartford. They point to the fact that it will take longer to load and unload the cars than with the open cars and that the present running time between here and Hartford permits but very few delays. However officials believe that at all points the cars accustomed to having the right change ready on entering the cars and that with higher powered motors any delays which might be occasioned in loading and unloading may be overcome.

It is the positive intention of the trolley officials to use two of the new type cars on the South Manchester to Hartford line next Sunday.

IMPORTANT NOTICE

The Connecticut Company today made the following announcement: Two of the new type cars will positively be placed in operation on the South Manchester line next Sunday.

All persons entering the new cars either in South Manchester or Hartford will do so by the rear door and pay as they enter.

For the other fare zones on the line entrance to be made at the front door and pay as you enter.

Conductors will collect from through passengers either east or west bound for the two remaining fare zones.

All passengers will leave cars through front door.

Manning House Sold

The house at Cottage and Maple streets which has been owned by Mrs. Jane Manning of Hackmack street for many years has been sold to Mrs. Elizabeth McLaughlin. Mrs. McLaughlin intends to remodel the building into a double tenement. There is considerable land with the purchase which will allow for the construction of other buildings about the new owner desire to do this. Michael Sheridan and family who have been occupying the premises will have to vacate while the alterations are being made.

THE SALVATION ARMY

SUBSCRIPTIONS TO THE S. A. FUND \$1,572.

Local residents are repaying generously to the Home Service Campaign Fund of the Salvation Army for which the local corps is conducting a drive to raise \$5,000. Treasurer Washburn reported collections of \$1,572 this morning which represents cash received since the letter appeals were mailed Tuesday.

With two local girls, the Tertingtons, among the Salvation ladies who entered to the hope from the place and other places during the World War, local persons have every reason to get back of the Salvation Army in this drive and see that the quota of \$5,000 is generously over-subscribed. The quota set for this town by National headquarters was placed at \$5,000 but the local corps is desirous of having subscriptions received which will total \$8,000 in order that a \$3,000 surplus be placed upon the citadel building on Main street may be removed. There is every belief that this result will be accomplished.

In conjunction with the local drive there is to be a big open air rally at Center Park tomorrow evening which will be preceded by large street parades. The Salvation Army Silver Band will be in line as will also members of the local corps. Upwards of two hundred soldiers and sailors are also expected to be in line with the work of the Salvation Army in the cantonments in this country and also on the battlefields of Europe all speak good words for the Salvation Army. They want the local drive to succeed and are working to that end.

At the rally at Center Park tomorrow evening choice was made of the following officers for the coming term: Chief Ranger, Clarence Frost; assistant chief ranger, John T. Munroe; recording secretary, Harry Jung; junior woodward, James Munroe; junior woodward, Nicholas Marcantonio; senior beadle, Stephen Duguet; junior beadle, H. Angell; lecturer, J. Leon Duguet; pianist, Richard Johnson. These officers will be installed at the meeting to be held at the evening, July 15. Deputy Grand Chief Ranger John P. Limerick of Court Nutmeg will be the installing officer.

Memorial Exercises At the meeting of the Mianthomak Tribe of Red Men held at Tinker Hall Monday evening the following officers were elected for the ensuing term:

SUSTAINS WOODHOUSE WONT PERMIT REJECTION Judgment for the defendant was the verdict of the justice jury which last week heard the case of Antonio Lamezo against F. W. Woodhouse of Pine street.

Judge Tuttle who represented Mr. Lamezo demurred to the complaint and set up in his defense that the lease was given to two parties, Mr. Woodhouse being but one of them and that the notice to continue the lease under the terms should be given by both parties, and not one, as was the case.

The case was continued until last week while Justice of the Peace F. R. Manning took the case under consideration. Justice Manning announced that the demurrer had been sustained. It was expected that at that time Judge Tuttle would ask for a direct verdict but he did not do so.

Watering Tank Now Has Meter The South Manchester Water Company have attached a water meter to the drinking fountain at South Main street and Hartford road.

Given Divorce Julia Reese Potter of South Manchester was divorced from Page F. Potter, who was a tourist employed by her father, P. A. Reese, in South Manchester, at the time of the marriage on June 7, 1916.

Robinson Cruces. Defoe based his story, "Robinson Cruces," which made him famous, on the experiences of Bettike, who was put ashore on Juan Fernandez Island, at his own request, as he had quarreled with the captain of the ship.

\$1,000,000 LABEL CASE IN 8TH WEEK

HENRY FORD—CHICAGO TRIBUNE CASE STILL HOLDS THE ATTENTION OF COURT.

FORD CALLED "ANARCHIST" Soldiers Testify That The Ford Co. Held Places Open For Them and Helped Families.

The Chicago Tribune in an editorial printed June 23, 1916, declared "Henry Ford is an anarchist."

Mr. Ford brought suit for libel against the Tribune for the sum of \$1,000,000 and the case, after many legal battles, was brought to trial in St. Clemens, Mich.

Mr. Ford, in presenting his case, summoned a large number of employees who left the Ford Motor Company to serve on the border crossings.

When attorneys for Mr. Ford closed their case, after occupying a full week with the testimony of soldiers and their dependents, the defense opened by calling witnesses from Texas and proceeded to recite for the jury the sales made during the year.

SELECTMEN FIND ICE DEALER CHARGES FANCY PRICES FOR ICE HARVESTED LOCALLY

The special hearing of the selectmen on the ice situation Tuesday evening brought out the fact that John Martzer one of the local dealers was charging 30 cents per hundred for the ice which he harvested last winter.

Mr. Martzer's old price was 40 cents per hundred and the first of this month when he learned that another dealer who had imported ice was to boost his price Martzer followed suit.

Mr. Martzer was the first to raise his price. He had imported ice from the Berkshires Ice Company at 40 cents per hundred.

Local saloon men expect to keep their places of business open after next Monday, June 20th, when the time prohibition measure is supposed to go into effect.

It was the opinion of the official that the saloons would be kept open until injunction proceedings which have already been launched are determined by the courts.

He said that the saloon men would get notification from the revenue office if the federal licenses were to be revoked and unless this was received he would advise keeping the saloons open for the time being.
