"CONSPICUOUS SERVICE"

Red Cross Plans Instruction to Industrial Establishments and Schools in America.

The First Ald Division of the Amerion Red Cross is mapping out plans to dvance proficiency in accident precention among industrial workers and among the public at large, according to an announcement made by Ethan Allen, Manager of the Atlantic Division. It is the hope of the Red Cross that ultimately every man, woman and child in the country will be trained in the administration of standard first aid methods. There is particular need of immediate training in this respect in industrial plants and schools, and an especially good field for this work is afforded in the great industrial centers and factory towns in the territory of the Atlantic Division of the Red

LATEST AUTO MODELS.

Most New England people will get their first view of 1926 automobile models at the automobile show of the Eastern States Exposition in Springfield, Mass., Sept. 15 to 20. A Corner of Old Paris

Paris has its irresistible call for the American soldier on leave. French capital is thronged with them. For the comfort, convenience and pleasure of these men and also to help in safeguarding them from the perils that lurk in Paris, as in every large city, the Army Y. M. C. A. has quarters at various strategic points throughout the city. This is one of them.

Over 50,000 Doughboys Cared for in Two States Alone.
