#### Training the Growing Feet the Way They Should Grow

You cannot afford to experiment and take chances on shoes for your children. The boy or girl who wears Buster Brown Shoes during the growing years will arrive at manhood or womanhood with feet properly fit for life service.

We have just taken the exclusive agency for this High Grade line and will be only too glad to show it to you whether you purchase or not.

# GOOD REASONS WHY ALL MANCHESTER SHOULD GIVE GENEROUSLY TO ST. FRANCIS HOSPITAL EXTENSION FUND

#### WHAT IS IT FOR?

The fund is being raised to make possible the erecting of a badly needed textension to St. Francis hospital. Ten to sixty suffering and afflicted people are turned away from its doors every day. Why? Because there is no room for them. The sum of \$500,000 is needed; every city and town in the county is going to help.

#### WHY SHOULD WE GIVE?

Because for more than twenty years Manchester people have been treated at St. Francis at ONLY A SMALL FRACTION OF THE REAL COST. For \$7 a week they have been given treatment which actually costs the hospital SEVEN TO TEN TIMES THE SUM PAID. Over 8,780 Manchester people have received the best medical and surgical treatment known to science at St. Francis.

# WHEN MAY WE GIVE?

FRIDAY, JUNE 25, is the day set for Manchester people to make their con tributions to the St. Francis Hospital Extension Fund. Approximately 150 volunteers will visit all of the citizens of the town and take their donations. All who wish may send checks in advance, made payable to the Manchester Trust Company
