The 5,000 patrons who are served by the Manchester post office will be pleased to learn that they are to have city mail delivery, starting September 1. Authority to install city delivery on that date was given Postmaster Fred H. Wall by the post office authorities at Washington in a communication received by the postmaster today.

VOL. XXVIII NO. 21

The efforts of Postmaster Wall secure city delivery have been in progress the past three years but i was in recent mouths that the most definite results were secured. Following the removal of the postoffice to new and commodious quarters. and a thorough inspection of the streets by a postal official a report by the post office inspector was sent to Washington. It was believed at that time that all obstacles to city delivery had been removed, the last of these, the sidewalk problem, being solved by the prompt action of the board of selectmen in making

from First Assistant Postmaster. Some to Postmaster Wall Comment of the Manchester was a success as usual. The district to be served had already been gone over carefully by Post Office Inspector F. J. Buckley who submitted an exhaustive report to su the department recently. It is plan riers and taken to the postoffice for ned to have two deliveries a day to dispatch. Large boxes for second all patrons who live on residential class matter and parcels will also be streets. The inspector and local post office workers have gone over the seven letter boxes and as many proposed routes reveral times. A map of the entire district has been of boxes for second class matter prepared, showing the exact loca. have been shipped from the contracttion and street number of each house to be served.
