Every motor highway and byway throughout picturesque New England and New York is a part of the long "Socony

NOTORISTS, commercial truck-VI men and farmers—from Salem, Mass., to Oswego, N. Y.-have come to depend upon Socony products. Thus, ordinary demand has become a responsibility which the Standard Oil Company of New York is constantly striving to fulfil. This is the reason for the steady growth of Socony service.

Refining processes, like motor construction methods, are always being improved. Socony gasoline is made and tested in accordance with the most recent standards of accuracy-insuring uniform cleanness, constant mileage to every gallon and absolute dependability. There is a difference in gasoline—just as there is in coal. It will pay you to

"Every Gallon the Same"

Socony is a straight-refinery gasoline. It vaporizes quickly, but it is more than a mere easy-starting fuel. Owners of large motor truck fleets use Socony regularly because it is uniformly highpowered and clean-burning.

Look for the red, white and blue Socony

OHILD LABOR LAW

In supporting his stand on the Child Labor law, Senator Brandegou us to keep out of entangling alliances with Europe and stated that they Board of education had protested had a set of special interests with against its passage. The law, said which we had no concern and ought he, had been declared unconstitution. not to be involved. Mr. Wilson in-

SOORES THE LEAGUE
Sonator Brandegee then shifted his remarks to the League of Nations, which, he said, was the greatest which has ever confronted this issue that has ever control of our independence or surrender it to a for sign tribunal.

Senator Brandegee gave a clear cut and simple recital of the events that led up to the signing of the treaty. "The Fresident Wilson To the voice of the synthesis of the say in the proposed of the state which was been regarded it as his imperative duty to go abroad in person upon this commission. He demonated server diplomacy and pledged himself to opper covenants of peace openly arrived at. He promised to keep Conrived at. He promised to keep Conrived at. He promised to keep Conrived at. He promised to keep Converse and of all the said of the venture of the synthesis of the sayings and doings of the treaty. "The Fresident Wilson's Accompt Head of the synthesis of the synthesis was sums of money successary to the integrity of that contribute the man power of the synthesis of the synthesis of the synthesis of the synthesis of the world to make company arrived at. He promised to keep Conrived at. He promised to keep Conrived at the synthesis of the synthe

were out and the government took make it for you. possession of all dispatches. Mail was consored, as well as the press. The Senste waited for news of the conference with every avenue of information closed. A 'process verbal,' manning an official record of what was said and done, at this conference with the rulers of Europe was kept. Where are these stenographic reports? Do you know what was said at the conference? When an absemble unmore of persons finding that there were no sittings unoccupied went their way and were degrived of the privilege of hearing that distinguished statesman Senator Frank R Brandeges speak upon the League of Nations. The appearance of Senator Brandegee was the chief attraction of the evening. Persons were lecked up in Paris.

ENGLAND'S VOTING POWER

"Is it compatible with the self-respect, safety and best interests of this great nation to join a League of the content to join a League of the content of the purpose of this great nation to join a League of the voting power of which the solf-respect, safety and best interests of baying supplies for the new grocery fall as we are? Would you employ a lawyer who would advise you to make a contract for doing the grading.

HONEY DISHES.

The substitution of honey for sugar is not to be recommended, as the physical properties of honey are quite different from sugar. The following are

Take one cupful of extracted honey. one pint of sour cream, a tablespoonful of soda, flavoring to suit the taste, and flour to make a soft dough. Chill well before rolling.

Tennessee Cookies. Special Trips to WASHING Melt together one cupful each of TON and BERMUDA honey and lard or butter. When cool add one-third of a cupful of sugar, a pinch of salt, a tablespoonful of soda and un egg. Add flour to make a stiff

Take one egg, one cupful of sweet milk, one cupful of boacy, two tamilk, one cupful of shortening, two tames and the shortening two blespoonfuls of cream of tartar and one-half teaspoonful of soda. Flour is added to roll and cut. Dust with salt

Raisin Cake. Beat three eggs, add one cupful of oney, four tablespoonfuls of butter, one cupful of sweet milk, one and onethird cupfuls of raisins chopped, three cupfuls of flour, one-half teaspoonful of salt, the same of soda and two teaspoonfuls of baking powder, one teaspoonful of vanilla extract.

Honey Cereal Coffee. Beat one egg, add one cupful boney, preferably dark; two quarts of wheat bran. Mix and stir until well blended. Put into the oven and stir until a dark brown, being careful that the oven is not too hot. When preparing the coffee allow one heaping tablesponful to a cupful of hot water, and soil at least ten minutes.

Plum Butter. Take four quarts of plums after being rubbed through a colander. Let he mixture come to a boil, then add one quart of honey, one quart of sugar, or two quarts of sugar, and boll until it crusts over the top when cool, or about 15 minutes. Stir frequently to keep from burning.

Cut bread as fresh as possible and spread with fresh butter, creamed; hen spread with honey, sprinkle with nuts and put together as sandwiches.

Pickled Grapes in Honey. Take seven pounds of grapes on the has been featured in a number of large productions. She is a native of Nor. stem and pack in a jar without bruisfolk, Va. She went on the stage at the | ing. Make a sirup of four pounds of honey, a pint of good vinegar, spices ing which she entered the motion picture field.

10 suit the taste. Boll the sirup for 20 minutes, skimming it often. When boiling hot, pour over the grapes and seal at once. These will be considered. resulted in her being starred, follow. to suit the taste. Boil the strup for ly as the honey is a preservative.

THE PLAYGROUND.

The city street, the city street Lies heavy on the town-An awful avenue of heat. Whose rays of yellow summer beat Upon the stones of brown, Where little children's weary feet Creep slowly up and down,

Beside the thoroughfare; Their windows look with bloodshot

O'er huddled roofs to smoky skies, And find no promise there; And childhood's voice of laughter die In pestilential air.

he city great, the city great-It is so big a thing! From city gate to city gute, From somber dawn to even late, It throbs with marketing; t has no moment it may wait To hear the children sing. The little ones, the little ones,

The buds that never bloom, (While underneath the breathless The stream of life forever runs Through arteries of cloom). Look on your stately Parthenons And find so little room!

There is a street, another street, Beyond the city's wall, Beyond the corridors of heat Where waters pure and waters In crystal cadence fall-And to the children's tiny feet Their liquid measures call!

Are neither grim nor gray; And from each vérdent eminence

or some trifling cause, great troubles is nothing but dead itssue.
