CONGRESSMAN AUGUSTINE LONERGAN FOR UNITED STATES SENATOR

Congressman Augustine Lonergan nominee for United States Senator on the Democratic ticket is a native of Connecticut and has spent his life. time in Windham, Tolland and Hartford Counties. He has risen from the ranks of the worker and after graduating from the Yale Law School in 1902, engaged in the practice of law in Hartford, obtaining a high standing in his profession and meeting with marked success. He is identified with important business concerns and knows the problems of the mechanic, the farmer and the business man.

In his congressional career he is progressive, constructive and forceful He devotes all his time to the duties of his office.

For The Service Man

He was the author of the measure to safeguard the food supply of the Army and Navy during the War.

Mr. Lonergan is the author of the bill extending the franking privilege to soldiers, sailors and marines on foreign duty. Mr. Lonergan was the author of the cent-a-mile rate for soldiers, sailors, marines and members of the Nurse Corps on furlough during the War. He worked for liberal allowances for soldiers and their dependents in the War Risk Insurance

Congressman Lonergan was one of the original workers for laws and treaties to correct the "alien elacker" evil. He sponsored the regulations granting special right of way to letters on Mother's Day from soldiers to their mothers and sweethearts, more than one million five hundred thousand letters being sent on May 19th during the War,

Congressman Lonergan's advocacy of the rehabilitation bill for vocational training included an amendment giving service men preference in government employment. He prompted the changes increasing the proportion of the clergy of all denominations acting as chaplains with the men

Mr. Lonergan aided substantially in procuring at histic equipment for Pershing's men and Christmas mail for men in the service received the

Mr. Lovergan voted for the Four-Fold Plan of the American Legion, neluding the bonns, in the House of Representatives and he is still for it.

Mr Lonergan voted for the final passage of the Susan B. Anthony amendment enfranchising the women of the State. Congressman Lonergan has always progressed with the times. He has always voted right on questions of social and economic importance.

For the League

Congressman Lonergan Stands Squarely for the League of Nations With Such Reservations as Will at All Times Preserve the Sovereignty of Our Country

"My Crawford Range Makes Cooking a Pleasure"

**RECAUSE I know everything is going to turn out just right. I've never had a cake 'fall'-even an angel cake-since I've had this wonderful stove. And my bread is always baked so beautifully-top and bottom and sides the most tempting brown you ever saw.

"It's the way the heat is controlled in this range that makes it so different, and so much better than any other. There's only one damper-and that one regulates the heat both in the oven and on the stove top. When I had a range with three dampers I was sure to forget one of them, and my oven was either too hot or too cold.
