THE AMERICAN PRESS ASSOCIA

ANCE COMPANY The Actna Life Insurance Company and affiliated companies, The Astna Casualty and Surety company

and The Automobile Insurance Company, make an impressive showing in their annual statement printed in The News today, with total assets of \$204,839,890, and total surplus to olicybolders of \$27,601,587. The assets of the parent company are \$177.802:865 while the Casualty Company has \$15,441,106 and the Automobile Company \$11,896,417. This great life insurance company has paid to policyholders \$428,989.641

in seventy one years. The Actua Life Insurance Comany, an outgrowth of the Actua (Fire), started its independent life in 1858 with a capital of \$150,000. | Pt? It is interesting to note that its greatest percentage of growth occurred in the five years following the Civil war, when the assets jumped trom \$281,578 to \$18 089,837. It is the experience of all insurance anies so far making reports that in the last two years their growth has increased by leaps and bounds, and it is certainly a fair assumption room, madam," announced the decorathat for the next three years the tor. growth of the Actna Life and of all other life insurance companies will " be on an extraordinarily large scale.

The Actna Life Insurance compuny has had only three presidents, Eliphalet A. Bulkeley, Thomas O. ers and the Hon. Morgan G Bulkeley, son of the first president, whree incumbency of the office dates bank to 1880, when he was mayor of "But you shot at and artford. The record of President burgiar." Bulkeley of forty-one years of the existence has been filled with achievement in many diversified lines, but in none more so than in the insurance company itself. The total income of the three Actna companies ated last year to \$87,884,448 there having been an increase, so far of over \$9,000,000 in premium income, \$14,000,000 in assets, one and insurance in force. The new life in "No," answered Senator Sorghum.
