Some people think bread is monotonous, because it's every day, three-times-a-day food the year round.

Yet some women know how to make bread exciting.

Aunt Betty did—by serving it in all sorts of unexpected ways, dressed up in tempting, delicious dishes.

There was always the thrill of delighted surprise about Aunt Betty's bread.

You'll find the same wholesome goodness in the loaf we bake today.

Manchester-Bristol In Final Clash At Clarkin Field, Hartford, Saturday

TOMORROW'S GAME AT CLARKIN FIELD The deciding game between the Manchester and the New Departure of Bristol is to be played at Clarkin Field tomorrow afternoon starting at three o'clock.

It was the same old story. New Departure outplayed and outdid its rivals, but bingles were not forthcoming when most needed, and ragged support in the late innings left the Sox in a precarious position.

With clean hitting New Departure scored its only run in the fourth inning, while Goodridge set back the Manchester slugger, limiting the Sox to a single in the fifth.

At the meeting of the Board of Selectmen for the construction of concrete gutters, the Board of Selectmen voted to appropriate \$40,000 for the construction of concrete gutters.

Other appropriations voted follow: Quill streets, \$20,000; Parks and curbing, \$10,000; Lights, \$20,000; Memorial Day, \$2,000; Board of Health, \$2,000; Building Inspector, \$30,000; Child Welfare, \$2,000; Conn. With the game falling fast, Art Johnson knocked a hard fly to deep left field, and back and forth he went under it but the ball just grazed his hands.

From the point of view of an unbiased spectator it was one of the most brilliant games ever staged in semi-pro baseball.

ONE BRAND-ONE QUALITY-One Size Package

All our skill, facilities, and lifelong knowledge of the finest tobaccos are concentrated on this one cigarette—CAMEL.

Into this ONE BRAND, we put the utmost quality. Nothing is too good for Camels. They are as good as it's possible to make a cigarette.

Camel QUALITY is always maintained at the same high, exclusive standard. You can always depend on the same mellow-mild refreshing smoothness—the taste and rich flavor of choicest tobaccos—and entire freedom from cigarette aftertaste.

And remember this! Camels come in one size package only—20 cigarettes—just the right size to make the greatest saving in production and packing. This saving goes straight into Camel Quality. That's one reason why you can get Camel Quality at so moderate a price.

Here's another. We put no useless frills on the Camel package. No "extra wrappers!" Nothing just for show!

Something do not improve the smoke any more than premiums or coupons. And their added cost must go into the price or come out of the quality.

One thing, and only one, is responsible for Camels great and growing popularity—that is CAMEL QUALITY.
