desires once more to call attention to VIM-O-GEN Yeast Tablets, and to repeat and emphasise the money-back guarantee behind this remarkable product.

Bear in mind that it contains all three of the precious vitamines. Authorities state that a day's treatment (six little tablets) is the equivalent of three cakes of baker's yeast. Besides, VIM-O-GEN Yeast Contains iron and other body-building and tonic properties.

That they are the food elements, generally lost through staleness and cooking, which make you weigh what you should, give you a clear skin and resy complexion, and furnish the strength and vitality and vigor which mean perfect health.

Give VIM-O-GEN Yeast Tablets a trial. It will do what it claims. Your money back if it doesn't.

It was the twenty-first birthday of Morton Brill tomorrow, sure enough, and his father recalled it half with sadness, partly with a comical look on his face, as if it revived some whimsy that pleased him. Ever since Morton was fifteen years of age, Adam Brill had put in force an ironclad regulation of his own flerce tempered sire. Exactly one minute beore the midnight hour he had made is son remove his coat. Begularly he had administered the strap—the strokes corresponding to the years attained. Then, when the performance was over, he would place in the hands of the lad exactly as many bright silver dollars as he was old.

"The last time!" ruminated the obstinate old fellow as he reached home and removed from a drawer in a kitchen cabinet the time-honored strap of castigation.

At nine o'clock that night Lucila came into the house from the garden, where her unsuspecting father supposed she had been with some girl friends. The old man glanced at the clock, placed the strap over the back of a chair, took off his coat and went
