Stop to Think THAT you don't have to go to some other town to buy good merchandise? Your local merchants carry big stocks of seasonable, up-to-date goods. Buy from your HOME MERCHANTS, it helps your town. THAT organized effort on behalf of the business men will make BETTER BUSINESS. Better business

Did You Ever

THAT the man who succeeds in business is no great onder. He is only the man who went ahead and got could not be done.

THAT the development and expansion of manufacturing, wholesale and retail business of your town means a growing town. The man who don't believe that, should make his happy home in a BUG HOUSE. THAT every assistance to the development of your agricultural sections should be given; as it develops, more business will develop.

THAT it is a well-established fact, that for every three families living in a town there should be a family on a farm, devoting itself to the production of food. Don't overlook the farmer. He is an important factor in the building of your growing town. E. R. Waite.

Helen O'Brien good I bring in plans and specifications for a new eight-room school build.

At meetings of the boards of directors of The Savings Bank of Manchester and The Manchester Trust Company yesterday, Thomas K. Clarke was elected secretary of The Savings Bank, and Russell B. Hathawny was elected assistant treasurer of The Manchester Trust Company.

The election of these officers rounds out the plans of the local institutions as contemplated at the time their commodious new building was erected, in order that the people of Manchester might have at their disposal banking service equal to that offered by the larger cities of the state.
