At meetings of the boards of directors of The Savings Bank of Manchester and The Manchester Trust Company yesterday, Thomas K. Clarke was elected secretary of The Savings Bank, and Russell B. Hathawny was elected assistant treasurer of The Manchester Trust Company.

The election of these officers rounds out the plans of the local institutions as contemplated at the time their commodious new building was erected, in order that the people of Manchester might have at their disposal banking service equal to that offered by the larger cities of the state.

EPOSITED in this bank at 4 per cent interest hoarded money which has been lying idle for years would have doubled in value instead of merely accumulating dust and

Happily not many persons today actually hoard money with the belief that it is safe from theft or accident.

Money need not be buried in old walls or cellars to be hoarded. It is hoarded money if it is idle money. useless money.

The safest way to make your money work for you and the community is to deposit it in the bank where it is safe, draws interest and helps build up the local community thus enhancing the value of your
