FIRST WOMAN TAX

COLLECTOR IN STATE

As she sat and knit during eight ballots, Miss Ida Penfield Friday night, was elected tax collector at the meeting of the South Glaston-bury fire district. David Hellister, her leading opponent, has the distinction of being beaten by the first woman tax collector in Connecticut.

Billy never played with girls amount of stagnant water to breed a crop of mosquitos for his own comfort or amusement, all he needs is a quart or two of water, needs is a quart or two of water, left in an old tin can of basin for a week or so in this hot weather, and without buying any eggs or setting any hatching machinery, he will have all the mosquitoes he wants. It is fun to look down into such a dish of water, and see the little wrigglers go up and down in necticut.

Billy never played with girls the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom, a proceeding of the such a dish of water, and see the little wrigglers go up and down in the water from top to bottom.

bury fire district. David Hollister, her leading apponent, has the distinction of being beaten by the first woman tax collector in Connecticut.

Hollister had been collector for a year and was eager for reelection He had a reliable group that voted for him all the way, but the tip was out that a woman ought to have the job, and after Mrs. Florage L. Curris had withdrawn followers L. Curris had withdrawn followers.

Billy never played with girls the water from top to bettom, a thousand or more of them in a single old tin can. These little wrigglers go up and down in the water from top to bettom, a thousand or more of them in a single old tin can. These little wrigglers will come out fullfledged mosquitoes, boring machines and signer time longer, but they will never come out at all, if he does what he ought to do, put a few what pretty is; why spoonsful of oil on the top of the water. Mean't know what pretty is; why

orrow of course was tinged with July 24 to August 9, Carriers of in that they all were sure that Richard Allen and Charles Ro heir leader was going into broader gers, Clifford Gustafson and John their leader was going into broader fields, where he could use to greater advantage the talents and personality that had endeared him to the people of South Manchester. Commandant Ayrcs also spoke feelingty of the friendships he had formed while in this place and said that it touched him very deeply to have to leave, but a good solder obeyed orders and he was a soldier of the Saivation Army. Ralph Jones who is the envey of the local corpu also spoke expressing the good wishes of the South Manchester corps for the continued success and good health of Commandant and good health of Commandant and Mrs. Ayres in the new field. SALVATION ARMY NOTES

The local corps has profited much under, the leadership of Commandant Ayres and has also increased its macmbership by about 25 persons during his two years as commandant here. He leaves this place with the best wishes of all place with the best wishes of all place with the best wishes of all Army. who have been brought into con-Young People's Legion will be held
