VERTISE IN THE NEWS

A triumph of helpfulnessso it's called the VICTORY

WITHIN slightly more than a yard in length, the Victory Crawford gives
you three ovens, the Crawford Adjustable Broiler, the full advantages of coal or wood cooking, the quick response of gas, eight places on the cooking top on which you can prepare eight different dishes if the emergency de-mands—and in spite of all it offers it is amazingly simple. In grey enamel all you need do to clean it is to run a damp cloth over the beautiful surface. It's made in black, if you prefer. Whatever the size of your family, it will cook better and last longer than the utmost demands of your investment - and the investment is surprisingly low.
