Making it easy to buy life insurance

Many people have said to me, "I should take out life insurance but I don't know what form of policy I should buy." People as a rule are not familiar with the many forms of policies but they are fa-miliar with the fact that they should

have insurance. My service is not simply to sell you a poli-cy but to sell you the form of policy best suited to your particular needs, your financial income and the size of your family.

You will find that buying life insurance from me is an easy matter and I will be glad to give you any information you desire.

Why not phone or write me and I will call on you when next in Manchester.

"I Will Put My Insurance In Trust"

When a certain business man died about two years ago, his wife received a considerable sum of insurance money. Knowing little about investments, she consulted her brother. He recommended that she purchase stock in the company of which he was president.

Last year the business went into the hands of a receiver. The widow's income has ceased, and her principal is practically lost.

One of the many important services rendered by trust companies is the care of life insurance. Trust companies are today the trustees for many millions of dollars of in-surance money.

Your insurance can be made payable to a trust company as trustee. The company will invest and distribute it according to such in structions as you leave, by which you can provide for many possible contingencies.

The trust company will protect your insurance fund by all the safeguards with which it sur-rounds the administration of eswill go best with a fur or fur-trimmed coat? MISSES SHO

Have you seen the new satin jackets? They are being worn with suit skirts and they give the same effect as the ultrasmart three-piece suit. The young girls as well as women are wearing them. Some time when you are in the store, stop and see them. The color combinations are unusually attractive as these blouses are stitched in the shiffley embroidery in blue, silver, buff, orange, etc.

BOOK SHOP

Our complete stock of books for Christmas have arrived. The kiddies will be delighted with the Windermere Series including Alice in Wonderland, Tanglewood Tales, and many other popular numbers; Grimes Fairy Tales, Mother Goose Nursery Rhymes, etc. Why not take advantage of the complete stock and make your purchases early? We only ask for a reasonable deposit on these books and we will gladly keep them for you up to the day before Christmas.
