

COMMERCE CHAMBER FAVORS RETENTION OF CHAS. J. BENNETT

Resolution Passed Last Night. Heights Athletic Club Plan Big Jamboree

Commerce Chamber of Commerce emphatically went on record last night in favor of the retention of Charles J. Bennett as the next mayor.

The Chamber of Commerce, in its resolution, stated that Bennett is the only candidate who has shown the ability to lead the city to a better future.

The Chamber of Commerce also expressed its confidence in Bennett's ability to handle the city's affairs with wisdom and foresight.

The resolution was passed by a large majority, and the Chamber of Commerce will continue to support Bennett in his campaign for the next mayoralty.

The Chamber of Commerce also expressed its hope that Bennett will be elected mayor and will bring about a period of peace and prosperity for the city.

The Chamber of Commerce also expressed its confidence in Bennett's ability to handle the city's affairs with wisdom and foresight.

The Chamber of Commerce also expressed its confidence in Bennett's ability to handle the city's affairs with wisdom and foresight.

MANY MR. SPARKS

Head of U.S. Heat Men of

His Exact Type.

Half-Made and Highly Worthy of

Course, but They Are For-

getful of One Fact.

Mr. Sparks likes to tell about his

early struggles as a man who

pride over the material things he

has been able to accumulate.

He is not a miser, but he has re-

garded the company with expensive

records on his safe and has called

the attention to them, telling how

he had been able to accumulate a

small fortune.

He is not a miser, but he has re-

garded the company with expensive

records on his safe and has called

the attention to them, telling how

THE FIRST OF HIS FIRST PART

was given by the way, an act

used for walking, in a little bag

which contains a minute drop of

water, and this water-filled bag

acts as an eardrum.

Observations of Oldest Inhabitant

(Montreal Star).

British geologists in Washington

have debited to America to the ut-

most farthing. She is paying Amer-

ica a larger sum of money than

any government in the history of

the world has paid to another gov-

ernment. It is more than four

times the sum exacted by Prussia

from France-Prussian war. In or-

der to pay the interest, on this col-

ossal amount of money, every man

and child in Britain must give

four dollars every year without

reducing the capital sum. There is

no doubt that the interest on this

colossal amount of money will pay

the debt of the United States with-

out question. She is assuming it

at a line of business depression

and at a time when taxation is

more than six times heavier than

it was before the war. The Brit-
