# MAUGA ROCK CRESTS IN THE O-NIGHT

## Rubber City High School Team Plays Local Students in Rec. Gym. This Eve.

### Coch Foley Has Developed Wonderful Basketball Machine For Naugatuck—Sik Town Lads Have Battle of Season on Their Hands Tonight—Huge Crowd to Witness Contest.

The wing, arms of "Scotty" filled the atmosphere. First round—a titer of amusement ran around the gym as the gradually merged into a roar of excitement, as Scotty came forward with his better hand, McCarthy emphasized the fact that they must break away from each other when ordered to do so, but they were deaf just as "Maul" was shouting to two followers of the man by art an "earthquake" Shanty, of Scotty, with the crowd arguing to dub him, fought with great vigor, with the crowd arguing on one minute, now setting "way back, laughing fit to kill." Vonnet to break them apart, every ten seconds, but Von Hone had been doing what fighting there was—if you can call it boxing. This was Hone's round. McCarthy, Scotty, and Foley were the main attraction. Scotty starting off at the top of the game, getting Von Hone to the ropes, a tatter of blood being exchanged by each corner. This was McCarthy's round. Von Hone went to wallow him, and Gas swept the floor with his feet, and the decision of the late from the East was a small margin. Considering the fact that the New Jersey team has won 109 successive games and is looked upon as the greatest basketball team in the East, the fact that Naugatuck was not in a sense a thing to be ashamed of.
