" OMEONE HAS SAID THAT 'IF' is the biggest little word in the language. If a very close friend of mine had used his head on a certain day, he wouldn't have knocked a school boy down and come within an ace of crippling him for life.

"It was queer, that day, about Jerry. Usually, a good, cool, level-headed driver. But, somehow, his attention must have been wandering, and as the kid ran out in front of him -he did the wrong thing. And he was upset about it for months after,

"His insurance company settled up the case in due time, But Jerry said something to me after it was all over that set me to thinking and I'll never forget it. Said he: 'My liability insurance protected me, but it didn't protect that boy. It paid the doctor's bills but it didn't help that young-

up to us motorists to make up for what they lack by using more than ordinary care when they're around."

"More than ordinary care shall be exercised

"More than ordinary care shall be exercised by the driver of a motor vehicle when nearing a school from any direction. A 'school zone', is that section of a highway directly in front of and usually 100 feet to the left and right of the school."
