Great Falls, Mont., June -8 .-

Jack Dempsey, heavyweight champion of the world, probably will meet the survivor of the Willard-Firpe bout at Boyle's Thirty Acres, July 30. The import of a message received today by Jack Kearns, manager of the world's champion, from Tex Rickard was that Dempsey was offered the bout with the added feature of a match with Harry Wills, negro hallenger, on Labor Day. Kearns replied immediately as

"Would like to go into further particulars as regards meeting winner of the Willard-Firpo bout, July 30th. Are you still interested in a prospective match between Dempsey and Wills on Labor

pitiful scenes in the region of the volcano, especialty in Linguagiossa where terror-stricken women, clasping babies in their arms, rushed into churches to pray for rescue work and government funds

have been placed at the disposal of Mount Etna is one of the most famous volcanoes in the world, lying in northeastern Sicily near the coast. The summit is 19,755 feet above the sea level and the base of the mountain has a circumference of 90 miles. The main crater is 1,780 feet wide and 825 feet deep. There have been 80 capital eruptions since 476 B. C. Beginning in 1792, an eruption lasted
