Reception While People Are in Danger.

London, June 21.—The eruption of Mount Etna has risen to all its former fury, dashing the hope that the volcano's force has been spent, said a Central News dispatch from Rome at noon.

Etna's crater is furiously belching cinders, and ashes and lava is again pouring out in a heavy stream, the dispatch added.

The cure is based upon the discovery that high fever increases who had lost power of speech can now talk perfectly.

MILITIA GUARDING SAVANNAH STREETS an army camp near the county jail here and soldiers patrolling the streets and guarding every road leading into Savannan, all eyes today were turned towards the Chatham County Grand Jury which was to investigate the alleged assault of Will Lee, negro,

on a white woman. Savannah, under martial law as a result of the battle Tuesday night when 3,000 men stormed the jail in an attempt to lynch the negro was peaceful today after a quiet night. With Claude Parker ded as a result of the jail rush, no further attempts to obtain the negro was expected. The coroner's jury returned a verdict of accidental death from a

gunshot wound in the case of Parker. There are reports that a mob is mietly forming in the back country where the woman lived but no definite reports have been received by officers. Guards, watching all roads coming into Savannah, are in communication with military
