Youthful Stage Aspirants Delight Audiences With "Merry Makes Good"—Capitol House Present.

An audience of about 150 filled the Sunday school room of the South Methodist church last evening when the young members of the Epworth League presented "Merry Makes Good."

Due to the careful coaching by Miss Gladys Ammons the young actors and actresses gave a very good interpretation of the play.

The actors have been most successful in Rhode Island, where service today was still practically at a standstill.

Company officials reported improved conditions and said no service was far from normal in the larger cities, including Springfield, Lawrence, Worcester and Brockton.

BOSTON, Mass., June 28.—The New England Telephone Company and the striking operators both issued optimistic reports regarding the strike today. The telephone company officials denied that any service was impeded or reported service improving in many districts. On the other hand, Union officers claimed gains in the ranks of strikers and insisted service is badly disrupted "in all the districts."
