Company G, 166th Infantry, U. S. Army, will hold a five night carnival and bazaar in the Knights of Columbus Hall on Broad street, between 4-8, 1926 inclusive and the general committee has already made plans to stage one of the biggest military affairs held in this town since 1916, when old Company G of the First Connecticut Regiment held a bazaar in the former armory on Wall street.

Dictator For England Held Unlikely So Long As Whig Idea Prevails

Editor's Note—The success of Mussolini, the coup of General Rivera in Spain and other events have led to discussion of the possibility of a similar situation in England. In the following article by Sir Alfred Robinson, noted British educationalist and writer, (Written for International News Service.)

London.—Those who have watched political events in Italy during the last two years and in Spain what is taking place in Italy and Spain may be tempted to ask if there are any signs of a similar situation in England. I shall not venture to say that there are any signs of such a situation in England. It is to be noted that the Whig idea is still the dominant force in the government. It is to be noted that the Whig idea is still the dominant force in the government. It is to be noted that the Whig idea is still the dominant force in the government.
