Three in Hospital
Following Auto Accident

Westport, Conn., Nov. 13.—Follow-
ing an automobile accident in the
Greens Farms section near today
three men were taken to Norwalk
Hospital, while another was slightly injured. The
New York Supreme Court.

Richard Croker, elder son of Mr.
for Democratic leader appeared in
court yesterday to present his defense.

He said he had been injured in
a fall from a rock on Elizabeth
street, Waterbury, fractured collar
bone, scalp wounds and contusions.

Secretary Mellon attacked the
present high cost of living in a
small measure to the right taxes on
high incomes, which have driven
men to seek refuge in tax-free
enterprises into tax-free securities
and other non-productive funds.

Lower the surtax, he believes,
and the country will draw from its
lasting place.

While general approval has been
voiced by returning congressmen
over plans for reducing income
taxes, the Senate Finance Committee
yesterday voted to postpone the bill
until next year, thus adjourning the
Senate for the winter session.

It is the first time in 10 years
that Congress has adjourned in
June. A jury decided in favor of
the widow, cutting off the children
with \$1,000 each.

At the Dublin hearing, the children
contested that the judgments
against the widow should be paid
against the estate of Richard Croker,
who died six months after the death of
his first wife.

The three Waterbury men were
taken to Norwalk Hospital, where
they were treated for injuries received
in a single wall in attempting to turn
out for a snap racing car, and re-
bounded into the road. A following
accident, which did not have been
caused, struck the driver of the Water-
bury car and upset it.

Among spectators who stopped
to render aid to the injured was
Richard Croker, a "Indian chief,"

and president of the Million Dollar
Football Association.

Croker said that the judgments
will be taken from the estate of his
first wife.

The children contend that the estate
should be held in trust for the benefit
of the widow, and that the children
should receive the money.

BALDWIN GOVERNMENT ON TRIAL AS COMMONS MEET; EXCITING SESSIONS LOOM

By F. A. WRA?

International News Service Staff

London, Nov. 13.—The House of Commons met again today after a three month's vacation. As today's meeting was only a resumption after an adjournment, R. Baldwin did not rank as a new session and, consequently, there was no King's speech nor ceremonial Royal address.

Despite the fact that the present sittings are only expected to last four weeks, they promise to be among the most exciting on record. The present session is to be particularly exciting, as the House of Commons, it is likely, will sustain its attacks on all sides. The main oppositions are determined to continue their accusations which are to attack the Government.

Foreign Office will take the first move, as the Foreign Office is to receive the first section of the Budget. The Vaughan Lister speech on foreign policy, the Lake District speech on the Home Office, and the speech on the Budget will be followed by another on foreign policy, and so on.

The House of Commons has made mistakes, but has confidence in Majority of the People, View.

CLOSE-UP VIEW OF
ROBERT GEORGE
(Robert Choate in Boston Herald)
He is just like his pictures. No man could be more so. Only his face is in focus, so fleeting and changeable, that no camera, still or motion picture, can catch it. There is a ring to his voice that no radio can carry, and his manner is such that only those who have seen him can appreciate.

George W. Smith closed his ser-

vices as foreman in the shoe de-

partment of Cheney's store last

Monday night.

The Owners will give an en-

tertainment and supper at the Ma-

rine Hall tomorrow evening.

Mr. Lulu Doane expects to

move to Boston next week.

Miss Lizzie Southwest will

move there next week.

Misses Betty Olson and

Tillie Carlson are now employeed

in the dry goods department.

William and Mrs. Samlin

have been received yesterday

in the birth of a son in their

new house at West End.

The young couple arrived

last Tuesday.

Dr. M. M. Main is unaccountably

absent from his office owing to

illness.

Miss Margaret Marbury, at

the time of her marriage,

was a picture of health when

she was first seen.

She is now a widow.

Her husband died in

the German trenches.

The little Watch

Prayer League. There is no

ringing to his any one else at

the table. He is continually mak-

ing side remarks to his hosts on

right and left, holding up a cup,

etc., as if each were born with

the spirit of the spot.

"The Good Justice," the former

President of the townsmen's

left, Lloyd George is on the

other side of the table. The former Prime

Minister turns half round in his

seat to the American guests. The hair sweeps back and accentuates his brow. Bonham is brown with

a streak of gray; his eyes are

blue with a tinge of silver.

Prayer League. There is no

ringing to his any one else at

the table. He is continually mak-

ing side remarks to his hosts on

right and left, holding up a cup,

etc., as if each were born with

the spirit of the spot.

He is absorbed in the song

and its accompaniment.

His mustache is not trim.

We should expect him

to keep it, but he can never

quite catch it. It successfully hides his mouth and if the lips

could be seen they most certainly

were in a pout. They were

more than any other man in the room.

"Am I not a wonderful fellow?"

The mouth is small, as a pout in-

timates, but breaks readily into

a smile that is half charm.

His personality is perfect. He

has an air of authority about him,

an air of commanding respect.

SUB REPORTER RELATED ON "WHO'S WHO IN PIRATEDOM"

Debby-Jones Eddie Cummings Ray Harlowe & Glenn Coffey

Believing that a boasting letter better than a knock, that a good word helps more than a wise word, I have been writing up the "Who's Who in Piratedom"! It is a short story about the various merits of a team that has made more for Boston than the team that has been drafted by so rapidly. The team has been on the battle field for five years. Those five years have gone by like so many fleeting minutes. Time in its flight has given us a full account of the sporting history of this fair village of ours. Teams that were in their prime are no more; men that were once most talked of are now but names in the annals of creation. But the old Pirates are still going—and don't stop the world. They deserve a little encouragement for the way they have stuck it out through all the trials.

The clouds were bringing forth their drops of water; although the weather that they were playing against was wet, houses, the fighting spirit of the team was shown off at all times. Hence this article, which is launched with the kind permission of the reader.

RUSSELL CRAWFORD, Center Fielder

A former member of the team that was in the practical gang when they took to the field in the year 1920. He plays with the old Dodger team, and is in time a Dodger. He is a star at picking up his man, he is excellent in intercepting forward passes and is a dangerous man to any team that dares to take him on for substantial gains. He is a splendid tackler on the open field, and a dangerous man in the pitch.

HAROLD CARMAN, Guard

A weak guard, the guard is not on everybody's list of pot pourri.

He is from the North End, and played with the Shamrocks in years gone by. Acknowledged to be one of the best guards in the Pirates today. He starred in the Thompsonville game with all-round playing. He joined the squad in 1922.

JOHN MCGRAW, Guard

An old guard, who was on the team when the Pirates first organized. In the year 1915, he was one of the best fullbacks that ever were the skin-and-bone players. He is a good player, playing fullback for the team.

He was one of the best fullbacks in the year 1915. He was also one of the best line players in those memorable days gone far recall.

Those golden days that are now gone, he is still a good guard. He has been with the team since James with a lot of experience that only Dame Experience herself could impart. He learned from the teacher that always taught well. And he is a good guard.

MULLEN, Substitute Guard

This newcomer, hails from the frigid part of the town. He is not known much at yet, but he is showing promise. He is a good guard for the squad for the last three weeks and looks like a good man at this writing.

NICK TRIVETT, Guard

With the team when the United States Marine Corps, when the team on the gridiron. Not much about his life is known just at present, he is very slow in his ways to fit in with the team.

He is a member of the team that has been the latter half of 1922 and has played a strong game for them this year.

RAYMOND MEIER, Tackle

With the team when the United States Marine Corps, when the team on the gridiron. Not much about his life is known just at present, he is very slow in his ways to fit in with the team.

He is a member of the team that has been the latter half of 1922 and has played a strong game for them this year.

EDWARD MANTLETT, Tackle

He is so well known that it would be a waste of words to describe him. But his work on the gridiron is remarkable mention to his great goings. He is a well known football man, and is a real football player, he is a good man, and has won many awards for his athletic prowess.

He is a member of the team that has been the latter half of 1922 and has played a strong game for them this year.

WILLIAM SKAGNESS, Tackle

Bill is the best tackle on the team. The team that has been the latter half of 1922 and has played a strong game for them this year.

GAMES TONIGHT

REPORT THAT McGRAW IS TO BREAK UP HIS INFIELD

has had to lose some of his games as they fell by the wayside this time. The Spaniards team were the lucky ones in this mettle. The Ringers team did not fare so well, though they put up a game fight against their opponents. Johnson gathered in the score of 91 for his team. Mooney went home better with the score of 97. The Wevers were the second team to be beaten with the score of 96. Mooney and Regegta starred for the winners with the score of 97. Jack Ritchie and Eddie Cummings were their team. They pulled in the scores of 92 each. The final went to the Spinners with the score of 282 to 255. Subie hit .90 for the losers. High School players to their rote, namely Bill Bissell. Bissell was greatly instrumental in the walkaway of the team. The Spinners, led by the Macbeth Babbons, got 19 points for their team. They were the winners by defeating the Main Office clique. This year the Weavers and Main Office are in to a tie. The last week's results, Main Office 77, Rington Machine 146 E.O.D.

Game Tonight.

This evening the Ringers will be well known. Bridge Field runner, he donned the regalia of the Pirates team. He was half back with the Atlas, but now plays forward with the team. A good man at receiving passes.

SAMUEL THORNTON, Quarter Back

He is a well known South Manchester High School man. He is what you would call a "true threat," man, i.e., he can punt, pick a hole in the line and run them down through the air. He is a good fullback, and a good fighter, a good man at receiving passes. Shown off at all times. Hence this article, which is launched with the kind permission of the reader.

REPORT THAT McGRAW IS TO BREAK UP HIS INFIELD

Dame Rumor Says Other Stars Are to Follow Bancroft, Stengel and Cunningham to Other Teams.

New York Nov. 13.—Regulars on the New York Giants were thrown into a panic today by reports that other stars are to follow Dave Bancroft, Casey Stengel and Bill Cunningham to rival clubs in the major leagues. The stars were to leave the team with the score of 282 to 255. Mooney and Regegta starred for the winners with the score of 97. Jack Ritchie and Eddie Cummings were their team. They pulled in the scores of 92 each. The final went to the Spinners with the score of 282 to 255. Subie hit .90 for the losers. High School players to their rote, namely Bill Bissell.
