"Get it FIRST, but first get it RIGHT"

T was this slogan, crystallized in a long list of news beats, front page . exclusive dispatches, and exclusive news forecasts by International News Service, which kept you abreast of the world's momentous happenings hour by hour all last month.

Within a few hours after the Radio Corporation of America's station at San Francisco had broadcasted the first intelligence of the upheaval which rocked the whole empire of Japan and all but destroyed its two principal cities, International News Service bulletins from its correspondents at Shang rai and Manila had summed up

the full extent of the disaster and set the toll of death and destruction at the figures afterward declared official by the Japanese government.

The two FIRST eye-witness accounts to reach this country were both from International News Service correspondents.

They were present in Tokio from the first to the last earthquake shock. Every hour, every day until the last detail of the disaster was known, it was the dispatches of International News Service which led the field of the world's wire services in completeOTHER NEWS BEATS and EXCLUSIVES
