CHECKS AND PLAIDS

# Protecting Your Family's Interests

If you are planning to leave the management of your affairs after you are gone to your wife or to a business friend, have you considered some of the problems they must solve-especially in connection with your business

Would they know how to handle your unfinished contracts; to close out important options; to attend to your investments and securities, buying and selling at the proper time; and to care for your many other busi-

ness interests, which would require expert attention and sound business judgment and experience? Today, men in business who wish to see their families in a secure financial position, free from the burdens and responsibilities of estate management, appoint a trust company to assume these duties. With this Company acting as Executor and Trustee of your affairs, you are assured of continuous existence, accumulated experience, financial responsibility, and the counsel and direction of many men skilled in

You can obtain interesting information about the conservation of estates by securing a copy of our booklet, "Safeguarding Your Family's Future."
