HURSDAY WILL BE VISITING DAY AT NEW OME OF HOSE NO. 3

I WISH I HAD

The public inspection of the new hose house of Orford Hose Company No. 3 will be held Thursday afternoon and evening and Manchester citizens are cordially invited to visit the newest and most modern fire headquarters in town.

The place will be open to all and taxpavers of the South Manchester Fire District should take this opportunity to see what good use has been made of their money.

Plans for this new building were first started in August, 1922 when it was realized that the lease on the old quarters would run out in 1923. A special meeting of the fire district in April, 1923, resulted in an appropriation of \$35,000 being made for the new building and work was immediately started in the hopes that it would be ready by Centennial days. This was found impossible however, but a month ago the building was formally occupied and now the public is invited to come to Spruce and Florence streets where the building is located and give the headquarters a vis-
