the detriment of the city along many lines. There has been more public with munitions to aid him in any lines. There has been more politics to the square yard in Philadelphia than in any other large American city. It is doubtful if New York has anything on Philadelphia in this respect, even though it is the stronghold of Tammany. New York has shad some excellent municipal administrations. New York has had some excellent municipal administrations and destroying; never on building up and constructing. As The News stated in a secest editorial of the Unit of Elastes government to aid President Obregon is clearly in the intensity of the color of the city served in the city along many lines. There has been more politics to the square yard in Philadelphia politics to

To Buy at

In this Sale-This House's Sale-the merchandise is bound to be right because it is all from our own regular stocks. It's merchandise that has been right on our shelves and racks at higher prices.

But it's time to clear stocks-and we believe in doing it fast. That's why the prices take such a decided drop that some folks actually wonder if it's really so.

That's why it's so important for us to say "Everything offered in this sale is from our" own regular stock, and bears our guarantee of satisfaction."
