## PRACTICAL SUGGESTIONS on WILLS and TRUSTS

## Your Real Estate

If you do not make a will, your real estate will go to your heirs according to the laws governing descent of real property. The result might be quite different from what you would have preferred.

By making your will you can direct to whom your real estate shall be given. You can place it in trust with this company for the benefit of your family. Our Real Estate Department will give it experienced and reliable management. You can give us power to sell, under certain conditions, instructing us to put the proceeds in trust for your beneficiaries or to make other disposition.

Let us send you our booklet, "Safeguarding Your Family's Future," which treats the subject of wills, trusts and family protection.

That favorite pocket tin of fresh Tuxedo tobacco which has cost you fifteen cents or more for the last five years, is yours for just twelve (12) cents from now on!

Just two things have made it possible for us to give you this 20% reduction on Tuxedo:

1. A reduction in the cost of Kentucky Burley tobacco and in package materials, as well.

2. The consolidation of three of our big plants into one. (Rar. Ford may not be in the tobacco business but he is right about consolidation.)

We haven't lost any time in taking advantage of this opportunity. ,

You know that it is the desire and policy of The American Tobacco Co. to extend to its customers the maximum of service.

Reducing the price of a great favorite like Tuxedo-the moment it's possible-is our idea of delivering this service.

So now you're getting the familiar tin of Tuxedo tobacco at 12 cents instead of 15 cents.
