Manufacturers of

# **FERTILIZERS**

Buy your Fertilizer early and have it shipped to you in the winter time, thereby avoiding railroad congestion and disappointing delays next spring. We can see no likelihood of prices being any lower. If, however, we are able to reduce our price during the season, any orders placed with us early will take the lower price. In other words, our prices are guaranteed against decline to April 1, 1924. If, on the other hand, prices advance and the price of Cottonseed Meal may make this necessary you will receive your fertilizer at the agreed price and your early buy will have saved you money.
