Tong Murder to Test Efficacy of **Execution by Lethal Gas in Nevada**

Carson City, Nev. Feb. 8 .- Kee a was a man of the East who traveled to the West. His rice bags were stocked. But there, on the northern steppes of China, where woives howled and death stalked near, he lacked not only water, but fuel and fire. And so Wong, who had left his home in the West to marry near the sea, chanced to pass. His water jugs upon his shoulders were full. "if we had but fuel and fire we

might eat," each said. And then came Young from the North, who ! carried fire in his torch; Woo from the South, who had brought fuel. in the morning the four parter "Four brothers are we," each sald, and pledged undying loyalty even unto death so long as ever a Kee, a Wong, a Woo and a Young might live.

Because of that another ma must die at the State's Prison here today-die as no other man has ever die d.
