BE HELD THIS EVENING

A large attendance is expected this evening at the February meeting of the Manchester Chamber of Commerce to be held in Tinker hall. A supper served at 6:30 will recede the business session. The chief address of the evening

will be given by Flaval Shurtleff. of New York, secretary of the National Conference on City Planning. Suburban memberships, the new ederal building and the committee report on town planning will be among the topics taken up for discussion by the Chamber. The committee on the Federal building has an interesting report o make inasmuch as data has been received regarding the possibility of the appropriation asked for by Congressman E. Hart Fenn being passed at this session of Congress.
