REC NOTES

Jim was having a grand time. At first he had fully determined never to go back home, but now be wasn't so sure of it. The trouble had begon as soon as he got up that morning. Mother had been in one of her tearing rages. First he had awakened her too early by his noise, then there was no hot water, and then Father and Mother had argued and wrun-gled all through breakfast about something that Jim didn't understand. And Jim, of course, had borne the brunt of it all

So, instead of going to school, he had crept down the street opposite, then run for all he was worth. And here he was, by the railroad tracks. watching the trains go by, and putthem flattened out. He was certainly having a grand time, but now he was beginning to get hungry. He thought perhaps it There will be a meeting of the might be as well to postpone that basketry class at the West Side plan of going West and fighting in-Rec this evening at 8 o'clock and at Mether's cookies.
