THE TIME IS SHORT--

Discussing his plans he said: "The Eskimos cling closer to the Stone Age than any other race, but out toward them their life slowly begins to change. Fast Vanishing Race

"This is a last chance to reproduce the old life and record the primitive existence of a strange race. It has been said that in one sense, the Eskimos have no history. but I have faith in their tradition. "It is largely with a view of re-

cording their history, of collecting nelics of their past, that we set forth on this expedition. Already the evil influence of so-called civilization has reached toward them. Trappers of the Hudson Bay Company are beginning to invade this territory and soon the Canadian Mounted Police and white settlers will appear and gradually the Eskimo race will disappear, like that of the American Indian. Much of their past is lost in obscurity, and it is the mystery of this we hope to

Catain Noice called attention to the Eskimo clothing . On gala occasions the men wear a jacket closely resembling our frock coat. This garment was in vogue among the Eskimos hundreds of years before it was a part of our wardrobe. It is probably 1,000 years old. It is a loose fitting coat, but tightly fitting at the waist: it has a hood and a lengthy tail reaching to the The Eskimo tailor never takes a single measurement; he has a won-

derful eve and can so scrutinize a figure as to be able to turn out a well-fitting suit of skins without so much as a single "try-on." Mrs. Noice intends to make a special study of the primitive mu-
