YOUR GUIDING HAND

When you entrust your money to this bank you feel sure that the disposal of that money will be guided entirely by your will.

You should put your estate in our care for precisely the same reason.

The argument is even stronger in the case of your estate, because that includes a good deal besides your money, and because its care, when you are gone, demands even greater stability and

Manchester Trust Company

Nationwide Ownership NATIONWIDE in the scope of its service, the Bell System is nationwide also in the dis-

tribution of its securities. In street car, at church, at theatre, at grocery store counter you rub elbows with its owners. They differ as widely in occupation and in wealth as do the more than 14,000,000 subscribers served by the system. But as Bell subscribers are united by a common means of inter-communication, so Bell owners are united by a common

characteristic-thrift. Other forms of thrift have very properly attracted the savings of thousands of Americans, but none of them more truly illustrates an investment democracy and none more directly serves the public. Two hundred and seventy thousand people

have made common property of their savings in order to maintain this great national public utility.

Their dollars serve them and serve the nation.
