RESPONSIBILITY RIGHTLY

If you were suddenly obliged to make an extended business trip, you would not call in a friend and expect him to conduct your business while you were away. You would call in your assistants, familiar with your business interests, and give them instructions to follow during your absence.

But what of your estate should you fail to return? Will it be managed by a friend or relative, unprepared and inexperienced in business and estate matters? Or will a trust company, organized and equipped to care for such business, manage your affairs?

This Company has the experience, facilities and resources to assure the proper management of your estate, with none of the limitations that handicap the individual executortrustee.

Use This Coupon Kindly, send me your free booklet, "Safeguarding Your Family's Future," which discusses wills and trusts, the duties of an executor-trustee, and the advantages of trust comnany service.
