LIFE OF DUSI WITH SORROY

Great Italian Tragedienne Was as Sad in Private Life as On the Stage-Her Romance Blasted—Once Poverty Stricken and Friends Feared End of Brilliant Career.

The life of Eleanor Duse, who after the death of Sarah Bernhardt was regarded s the world's greatst tragedienne, was as replete with poignant sorrow as the heartrending roles she so vividly porrayed on the stage. Her declining years were like the lenounement and climax of a play. The sudden termination of her

and a peace of mind.

The career of Dusc seemed al

Two-Passenger Car

The Ford Runabout is the most economical car for person transportation known. Priced lower than any other motor car, its maintenance and

running expenses are in keeping with its present low cost. To salesmen and others who average a high daily mileage in business, the Runabout has a special appeal both for its operating

economy and its convenience in making city and suburban calls. Ford Motor Company
