

A. E. LOOMIS IN FIRST PLACE

Does not approve of the plan of going right down through the party ticket and voting the whole lot of names which are usually picked out by a few politicians.

President Blah's Address President P. T. Blah of the following chamber follows: The following address was given:

From Monday on you may expect to see a new program of work every day up to and including the end of the second period. With the entire club working at top speed to go in, not only every public eye prospect but collecting their promises and getting extensions as well, even the lowest on today's list may hope to get in before the end of the week.

All Are Potential Winners: Some thoughtful persons are wondering: "There are two kinds of people in the world—leaders and followers." That is doubtless true, but the average run of people, both men and women, are not made up of "average" people. They are far from average and are far from ordinary.

The club members realize the closeness of the race. They are in close touch with every phase of the campaign and are realizing their plans as they go along. They are not waiting for the top of the list. So, you see, always do your best.

Drop Sure To Come: The big drop in the credit sheets is now just a few days distant. That is a short time—a mighty short time. There will be no night out or "house" offers of any kind made later.

Stages Successful Annual Banquet: The banquet program is being arranged by the committee staff. It will be held at the Hotel Hamilton on Friday, April 24, at 8 o'clock.

Japanese Earthquake: D. E. Doury, vice president and general manager of the United States Testing Company, Inc., gave some interesting facts regarding the Japanese earthquake and the horrors left by that disaster.

BIG LEAGUE BREEZY NOTES

TAGGING ALL THE BASES
Our Mr. Roth emerged from the depths yesterday and sought a single double and some run, his second of the season, during the course of the Yankees 12 to 2 rout of the Howard E. Knickerbocker Red Sox. Previous to his debut our hero had gone to the plate on 10 consecutive occasions without getting a hit.

The Cubs were metery at the expense of the St. Louis Cardinals and was so pleased. Pfeffer pitched the first two innings and they were a great play.

Not wishing to prolong the agony beyond the bounds of human endurance, Pfeffer had one eye on the ball during the first two innings. Dave's single was the last of the inning off Coon.
