Coolidge's Situation Is Perplexing

Fans-Knuckle Down-Hey, There, No Hunching!

President Is Giving Japanese Immigration Bill Deep Thought

Chief Executive Will Not Accept Exclusion Act Without Test of Strength-Asks For Prolonging of Time Limit-Direct Veto Would Mean Loss of Many Votes in West-Signature or Alteration of Bill Would Soothe Japan's Feelings.

(By George R. Holmes) Washington, April 29—President Coolidge has decided not to accept JUDGE LANDIS the Japanese exclusion legislation passed overwhelmingly by both Houses of Congress, without a SUBPOENAED II struggle and a test of strength between the executive and legislative branches of the government.

Confronted by the insistence of SCANDAL PROBE Bandits Seize Cash While Secretary of State Hughes and sub-

jected to the enormous pressure be- Washington, April 29.—Kenesaw

and at the same time apply a poul- on sentence. Whether it can be accomplished, of the Department of Justice, tesowever, appeared extremly prob- tifying before the committee said

tor Reed of Pennsylvania to the White House during the morning and discussed methods of getting around the exclusion feature around the exclusion feature. As originally drawn, the House bili would make Japanese exclusion effective July 1 when the present immigration law expires. Smarting under the sting of Ambassador Hanihara's "grave consequences" letter, the Senate passed a bill making exclusion effective im-

ment on the July 1 date fixed by the candidacy of General Charles H.

the will of Congress.

This plan, too has roused the resentment of members of the House, who declared today they did not intered to allow Secretary.

The plan to has roused the resentment of members of the House, who declared today they did not intered to allow Secretary.

The plan to has roused the weith of the building and entered the building and entered the waiting auto whose driver kept the block's almost solid support.

A question was then raised as to their of the persent meeting to waiting auto whose driver kept the leading and entered the legality of the present meeting to waiting auto whose driver kept the block's almost solid support.
