Manchester "Y" Groups To Enter Big Meet Saturday

CENTER "Y" AND HI-Y CLUBS TO REPRESENT SILK TOWN IN HARTFORD COUNTY MEET HERE

Manchester has a considerable chance to cop first place honors in the big Hartford County "Y" track meet which will be held at the West Side Playhouse Saturday afternoon. The Center "Y" with a fine array of track stars and the Hi-Y which is practically composed of the present High School track stars will be Manchester's two entries and it appears that the Silk Town side will be the better off before a five mile race which is the feature of the meet. Harry Bellamy and "Bobby" Bray, who were the best bet to enter the Junior Olympic meet last Saturday at Metwannah and "Bobby" McPherson, who during his High School days, broke the English five mile record at Metwannah, are expected to be the distance in the remarkable time of five minutes and one second.

"HUSKY" SHELL CREW SAID TO BE BEST EVER

By Dick J. White It will rank back through the annals to August 20, 1914. It does not matter as far as the "Husky" shell crew is concerned, they have been told to get themselves into condition in plenty of time, and if it advances the date of the war, it will make no difference to them. The only thing that matters is that it will be an afternoon fight.
