A Welcome Member of the Family

MOTOR car is never more appreciated than in A the springtime. Its convenience and enjoyment are shared by all the family—and by speeding up the day's work, it provides more time for recreation

A Ford Touring Car becomes a welcome member of the amily. It provides every motor car essential at the lowest price for which a five passenger car has ever sold—a price only made possible by complete manu-facture, in tremendous volume, in the largest and most economically operated plants in the automobile industry.

By controlling every step in manufacture, from the mining of the ore to delivery of the finished car, Ford eliminates waste and reduces vital costs to a minimum. One profit is made—hundreds are saved.

This efficiency of manufacture is accurately reflected in the quality and price of the Ford Touring car. FORD MOTOR COMPANY, DETROIT, MICHICAN Runabout - \$265 Coupe - \$525 Tudor Sedan - \$590 Fordor Sedan - \$685, All Prices f. a. b. Detroit

It has been tried for years and it cannot be done. No amount of whacking will beat all the dirt or any of the stains from rugs and carpets. Why flog your floor coverings within an inch of ruination? Why raise a whirlwind of dust for the family and neighbors to consume?

When we clean your carpets and rugs by our Special Shampoo Process you can see and feel cleanness all over, all through. Dirt and grease spots are dissolved and washed away by pure soap and water. The Shampoo Process is gentle, harmless and thorough. It cannot wear, tear, discolor or loosen the fibers of the finest rug.
