HISTORICAL! EDUCATIONAL! THRILLING OFFICIAL WAR DEPARTMENT FILMS

Official U.S. War Department Motion Fictures taken by the U. S. Army Signal Corps, covering the activities of every division that saw Actual Action in France. Cameramen defied death to take these pictures. Nine reels of hair-raising thrills-preceded by 1500 feet of Confiscated German Submarine pictures, that clearly show the barbarous methods used by the Germans during their unrestricted submarine warfare.

### How to Buy Good **Furniture on Time**

Buying furniture on time is the easiest possible way to furnish your home. It allows you to ture all the time you are paying for it—and it is so easy. Each week or month when you receive your pay envelope or salary you send or bring to our store a stipulated amount which we will agree on in advance. We allow a full year's time on a reasonable size bill and on pianos fully two vears.

The prices you pay arc the prices marked in plain figures on everything on our floors. There is no interest charged if payments are made as agreed. If you have sickness and cannot meet some of the monthly installments when they become due all you have to do is tell us about it. We are always glad to make allow-
