## Willow Factory Sells Entire Stock to Watkins Brothers

and associates

With another good New England furniture merchant we bought out the entire stock of one of the best known willow factories in New England, the owners having decided to turn their machinery into the manufacture of another line,

orice and we are going to offer it to you on the same basis. The only restriction we will have to make is on the lower priced numbers as there is only a limited quantity of these and no more are obtainable at any price. We will have to restrict these to one to a customer.

This willow furniture should not be confused with the cheap, inferior imported willow with which the market is

THE LIGHT IS BREAKING.

The natural trend of economic forces, accompanied by a return to reason in Europe, now promises to restore to Amerfailed to bring about.

To three Americans-General Dawes, Owen D. Young and Henry M. Robinson-will be due the credit for formulating the plans under which Europe seems about to take up again the orderly processes of life.

The laying up and maintenance of stores of foodstuffs in Europe which in the past absorbed overplus of American that real power tends to silence, while noise indicates hollowbeen lacking for nearly two years. Resumption of purchases ness. necessary for normal reserves, together with reduced production of American farms which seems to be under way, should shortly replace the moribund market conditions with oldtime

Mr. Owen D. Young, just before the departure of the mind. American Commission for Europe, in a letter to the editor of the Agricultural Review, of Kansas City, said:

"It is unnecessary for me to tell you how deeply intereststruggling with the same farm. I know something from actual experience of the problems of the farmer, and I have greater interest in seeing sound conditions created for Americal. ican agriculture than for any other one branch of our activities. Our industries are quite able to take care of themselves. Our agriculture is very largely at the mercy of foreign disornization. I hope the farmers of the country fully appreciate this and will demand action. If they will, they will get

In those few words ,Mr. Young points the way. It does not lead along political paths, or through legislative halls. It runs in the direction of restoring order confidence and credit in Europe.

SUPERPOWER SERVES SEVEN MILLIONS.

## AT NO. END; SHAMROCK-HEIGHTS TILT BILLED FOR LATTER'S BOWL

One Game Slated For Each End of the Town-Many Former Prominent Stars Appear in Rival Lineups-Games Should Attract Large Crowds.

Two real games of baseball are on the bill for this eveing-one at the North End and the other at the South End. Up in the height's bowl, the Shamrocks will be the league for the latter and a real game is expected to ensue. At the North End on the Community field, Bill Brennan's Community Club will buck up against real opposition when they meet the Red Men from the South End.
