10 REASONS why we need a QUARTOP MILK each day

1-It contains more lime and phosphorus in proportion than any

MILK IS THE BEST SOURCE OF MINERALS FOR BONES

2—The quality and balance of lime and phosphorus in milk is such that no food can take its place in making bones and teeth— MILK IS ESSENTIAL TO STRONG BONES AND TEETH. 3-It contains proteins of the highest quality-therefore

MILE BUILDS GOOD MUSCLE. 4-It contains all the vitamins, particularly A and B, in generous MILK PROMOTES GROWTH AND VITALITY.

5—It contains the best quality of all its food elements—therefore MILK HELPS TO PRESERVE BALANCE IN THE DIET. 6—It contains an excellent quality of fat and sugar—therefore MILK FURNISHES ENERGY.

7—It contains sugar in easily digested form—therefore MILE PROVIDES SUGAR IN EXCELLENT FORM FOR

8-It contains iron of the finest quality, though in small amounts

MILK HELPS TO ENRICH THE BLOOD. 9—It is a liquid and easy to take, and the quality of its elements renders it easily digested—therefore MILK IS EASILY DIGESTED.

10—Milk is a perfect food. Adults, to attain the best health, should have a quart of milk each day or its equivalent in dairy products. Children should have a quart of milk a day because it is essential to growth and development, and is necessary for the proper development of bones and teeth—therefore

MILK IS THE BEST HEALTH-PROTECTING POOD

(1) Every producer and dealer of Milk must be registered with the Dairy and Food Commissioner.

(2) Clean, well lighted and ventilat-

HERE are but two states in the Union

which have complete control of their Milk supply, and Connecticut is one of

Do you, who live in Connecticut and use

Connecticut Milk, realize what this means

It means that the Milk produced and sold

in Connecticut is safeguarded to a high

# Breaks Shamrock's Record As Red Men Win 4-3

# VITH A TIMELY SACRIFICE FLY

Gritey Shamrocks Taste First Defeat of Season Before Large Crowd-"Red" Wilkinson in Limelight For Warriors-Hits Triple and Single That Figure Heavily in Scoring-McLaughlin Weakens in Seventh.

"Bill" Connery, highly extolled Addison pitcher who was fired against the Shamrocks last evening by the Red Men in effort to snap the former's long string of victories came through in fine style pitching the Warriors to a 4 to 3 victory in a game at the West Side playgrounds which was replete with thrills and was witnessed by the largest crowd of the season. By virtue of the victory, the Red Men advanced into a tie with the Shamrocks for second place and the St. Mary's automatically retain clear possession of first place with a clean state. A base on balls to Sipples, who went in as pinch-hitter and Connery's sacrifice fly were mainly responable for the winning punch which came in the last inning. Shamrock's Pirst Defeat

Last night's defeat was the first scoring Hewitt but the Red Men's Last night's defeat was the first for the Shamrocks all season and shey had relied up seven victories in succession before the Red Men with Connery in rare form put the skids under them. Although they ut up a great fight all through the same, the Shamrocks

through the game, the Shamrocks inning, scoring two runs. Massey were unable to get to Connery in was out o a fly to St. John but were unable to get to Connery in the pinches with the exception of the third and fifth stanzas. Conlery faunced five and passed but two. This feat was duplicate, how-fiver, by the Shamreck hurler.

Tommy Sipples, pinch-hitting for Reterson in the seventh inning was fine than who turned the tide in the seventh in the sev or of the Red Men. He worked which has already been related. McLaughlin for a free The summary follows:

This is a comedy-drama in four mounts in four mounts in four mounts and wherever it has been produced it has met with favorable comments from the audience. The cast of characters is as follows:

Tom Dexter, One of Nature's Noblemen ... George Vinton Sidney Everett, of of the world, worldly, ... Charles Christensen Ben Latham, a wanderer, ... Henry Scheil Heee kiah Hopkins, fond of an argument, ... Franklyn Oreutt Carlotta Bannaster, a child of fate, ... Mrs. Irving W. Loomis Annatasia Bannister, her "stylish" aunt from New York.

Miss Lina Wheeler Amelia Dexter, sister of Andrew Mrs. Arthur Porter Mrs. Muslin, something of a talket, "as you might say," ... Mrs. Henry W. Loud and a signment for its the cator.

Mrs. Henry W. Loud

instruments locate distant storms and trace the direction in which they are moving and rate of travel. This information is wirelessed to air pilots, thus enabled to avoid any thunderstorm on their course.

One pilot who arrived the other evening said that he had flown around two storms from information thus rescived.

Local Men Sent

Center church parish attended the meeting held at the church last evening. It has always been the desire of the Center church to promote sociability amongst its parishioners and the object of the meeting last evening was to formulate plans whereby this might better be carried out, also with a view to helping the church financially. Rev. Woodruff gave an outline of the plan which was to be tried out for one year and if it worked out satisfactorily it would be continued further. He had previously prepart.

The following varied and well

further. He had previously prepar-ed a list of the ladies in the par-chosen program was rendered:
