markets yesterday were as follows:

stop, look and listen" completes the setting for an accident.

There are two ways in which the accidents may be reduced. Elimination of crossings would remove the peril, but stupendous cost, estimated at \$19,000,000,000,000, pufs the stupendous cost, estimated at \$19,000,000,000,000, pufs the stupendous cost, estimated at \$19,000,000,000,000, pufs the completion of such a movement far in the future. Elimination of the part of those who have occasion to cross a railroad at a grade would remove the major portion of the peril.

Begause there is want of caution on the part of a small minority accidents occur. If each person possessed realization of self-interest there would be little need for these safe-ty empaigns. And those who need the warning the worst ty empaigns. And those who need the warning the worst ty empaigns. And those who need the warning the worst ty empaigns. IT'S TIME TO THINK OF PORCH SHADES

We're Headquarters for Aerolux

For several seasons we've sold these famous Shades because we believed they offered greater value than any other similar equipment, and now at the beginning of a new season we recommend them again. They ventilate throughout their entire surface, shutting out the sun but not the air. Very durably made. Weathning of a new season w recommend them Easy" and "No-Whip" devices. Moderately priced.

From 3 1-4 to 12 ft. widths, 7 1-2 ft. drop. \$3.00 to \$14.00.

For Porch or Cottage that add a cozy homelike air to your porch or plete without one or the the rooms of your sum-Sizes 6x9: 8x10 and 9x12.

That will make pretty Dresses

It is really no trick at all this summer to make your own dresses for the smartest styles are the simplest. You will find wonderful values in Tub Fabrics and Silks here and you will have a world of fun planning and making your own dresses.

DRESS LINENS 36 Inch DRESS LINENS

The same fine quality dress linens which we have been selling for years. It has been shrunk from 45 inches to 36 inches. Linens are even more popular this year than they have been for the past two seasons and we have the largest range of colors ever.

New Normandy Voiles, yard 59c and 69c The largest and most var-ied assortment we have ever had. All-over dots and designs as well as the new bordered effect. All the newest and most attractive shades.

40-inch Dorothy Voiles, 36-inch Sunstrand Voile A pretty floral voile with gold or silver threads run-

Figured Canton Crepe, the popular Chinese patterns, in various shades of tans, greys, and blues.

With every dress length sold this week we wi give you a spool of Threa to match, free, whether it be silk, mercerized cotton, or a 200-yard spool of Hall's Best Thread.

A new silk and cotton crepe in lovely shades of almond green, Muffin, grey, cocoa

Silks - Crepes - Fine Novelty Voiles - Normandy Voiles - Wash Suitings - Percales Underwear Crepe - White Goods - Ginghams - Curtain Scrims - Cretonnes.

40-inch Figured Voiles. Figures—both floral and geometrical—are favored by fashion and in this showing you will find all the newest designs and colors. designs and colors. 40-inch Voiles, yard 39c A fine showing of plain colors and figured designs.

Ratine Checked Voile, A very new material. A solid color voile with a ratine check in black and white. Colors, olue, brown, green, lavender, and tomato. Silk Dotted Crepe, yard \$2.25

A pretty silk dotted crepe that makes up very attrac-tively. In zinc grey, white, copen, and Ching Blue. Fancy Silk Checked Crepe, A novelty crepe suitable for dresses or blouses. The colors are Lariet, Crab Apple and Poudre blue. Crepe Amay-sing, yard \$1.85 A nobby-nubby sport crepe that fits in perfectly with the prevailing sport fashions. Tan and grey.

Cotton Canton Crepe, A solid color crepe, 36 inches wide, in the following colors: Grey, brown, Ching blue, white, and black. Silk Alpaca, yard \$2.08

Botany Crepe, yard \$1.85 This is very similar to a wool crepe, is 40 inches wide

and comes in the following colors: Lacquer red, Daphne

blue, grey, black, tan, Log

Cabin, and almond green.

ons, World War Veteran of at the home of L. V. Platt. Hartford Captain Simons said in part:

"It was the Civil War that was fought by brother against brother, and father against son. It was the and father against son. It was the ed Sunday Schools in Rockville,

and father against son. It was the only war on which we participated when we fought a war that was fought by families, so to speak. It was our own war right in the confines of our own borders. It was a war that once for all established the fact that a house divided against itself can not stand, and that in unity there is strength. The men who fought in that war will never be forgotten.

de Sunday Schools in Rockville,

June 1st.

There wil be no "Exhibition Day" in the schools of the town this year, but the work of the children will be displayed all this week in the different rooms. It is hoped that the parents will endeavor to visit the schools some time during the week and see the good work that has been done during the year.

Mrs. Gerald Seeley of Cleveland, men who fought in that war will never be forgotten.

"The Grand Army of the Republic, and its existence was a powerful organization. It practically contoiled the government and there were times when it was accused of being selfish, but being selfish is one of our characteristics. It is natural, provided that selfishness is for the purpose of protecting its comrades and friends. It is characteristic that is noble, and the

acteristic that is noble, and the son and Harry who have been at-Grand Army of the Republic was selfish in the respect that it always waster Battey is entertaining his rotects its comrades and friends. "We cannot help but notice that

there are very few left, and the works of that organization must be Woman Measures Radium Fortune taken up by someone, and the work of that organization has now fallen on younger shoulders. It must be carried on by Sons of Veterans. It must be carried on by Spanish War Veterans and World War Veterans, in the same spirit, and the same manner that it was carried on by

"For after all politics is a tangerous purpose, provided the est iticians are given an apportunity of having their own way, from the fact that even today, the political situation in this country is very eritical, but I give credit to the great statesmen that we have in Washington, who are wise enough to see far ahead and perhaps are things that you and I perhaps don't approve of, but time vill tell that they are right in their ons, and it requires an organaion of some sort, such as 'ine G. R. to keep a watchful eye he conduct of those in whom we our trust, and it is the men nght that can appreciate country means, and
