## INVITING A PRINCE.

It is a far cry from the days when every patriotic Am- special genius are not his but belong to his race. rican orator was expected to tweak the British lion's tail to the invitation just extended by the American Legion to the Prince of Wales to attend its next convention. Col. Lindsley, who presented the invitation on behalf of the Legion, predicted that the welcome from our veterans "for the ambassador of peace would be unequaled by any demonstration that has yet taken place or may come after. He represents in personal capacity and in his personality all those fine qualities which Americans admire and love."

Not for many years has a member of British royalty achieved such genuine popularity among his people. The State Candidates for Senate and House, if they want to benefit by the Cooling candidates for Senate and House, if they want to benefit by the Cooling candidates for Senate and House, if they want to benefit by the Cooling candidates for Senate and House, if they want to benefit by the Cooling candidates for Senate and House, in leadership and following result. dash and pluck and democracy of the Prince of Wales have in leadership and following result.

In leadership and following result. In they want to beneat up the Cooling leadership, will have to come ing from his nomination be but along in the Cooling leadership, will have to come in leadership and following result. made an irresistible appeal. The British especially admire sportsmanship and the Prince has shown that he is a good instant today as the resting politically-minded Wash-lington today as the r sportsmanship and the Prince has shown that he is a good ington today as the president and his henchmen square away for the campaign battle ahead.

The conservative oldsters condemn his recklessness, has henchmen square away for the campaign battle ahead.

The conservative oldsters condemn his recklessness, has henchmen square away for the campaign battle ahead. but they would be equally severe if he were a mollycoddle. Campaign battle ahead. but they would be equally severe if he were a mollycoddle.

The soldiers of the American Legion can greet him as a former comrade in arms, for he did his part in the winning of management. The "best minds" of the present membership in Control of the present membership i

the war and received his baptism of fire.

It is pointed out that for the Prince to accept such an invitation would break all precedents. But young Wales has invitation would break all precedents. But young Wales has never seemed to be any more afraid of breaking a precedent never seemed to do just that thing.

2 is a coolidge's managers feet that it their their thing.

3 a drive against son than of breaking his neck.

Though the United States has granted citizenship freely to aliens, for the most part it has been denied to the original native Americans, misnamed Indians. Therefore the bill
recently passed and signed by the president granting citizenship to all Indians born within the United States is a belated
act of justice, if nativity on American soil is the virtue it has
been assumed to be. Hitherto but a minor portion of persons
of Indian blood have been citizens, those living on reservations being considered wards of the government, in a sense
minors who need guardianship.

It happens, however, that along with citizenship, the
wardship is not terminated. Thus after all it is a restricted
grant. Those after all with the incoming the college such that their tribal relations and property
