The society was organized several years ago by members of a Sunday School class of young people then taught by Deacon Andrew Kingsbury, whose death occurred about four years ago. This was before the present movement for craff of the young people from its famous formula of the young people from its famous formula of the young people from its famous formula of the young people from its famous famous formula of the young people from its famous famous formula of the young people from its famous f fore the present movement for crof the young people from its famganized classes in Sunday Schools illes who have pursued their educahad become prevalent, and probabtional ideals until they have reach-POWER CO.

ganized classes in Sunday Schools had become prevalent, and probably this was one of the earliest organized classes of which there is record. As the original members reached maturity the organization was continued. Although not as a class in the school, and a younger generation now constitues the larger of its membership, just a few charter members remaining.

Loyalty To Church and State
Emphasized in Flag Day Sermon
Last Sunday morning in the Second Congregational Church, the pastor, Rev. G. E. Richter, preach
ly this was one of the earliest tional ideals until they have been present injection of the advanced school where they have been pursuing studies to fit themselves for a more studies. Frederick P. Hamilton of Chicastonum at the Center last consponding to more studies to fit themselves for a more studies. Frederick P. Hamilton of Chicastell with great credit at the State until they have reached school as the constant of the more studies to fit themselves for a more stabled.

Frederick P. Hamilton of Chicastell with great credit at the State until they have reached school as the constant of the week, when the gas pump had been installed.

BATHING SHOES

New Silk Skirts and The latest in Sleeve- Special showing of

BATHING SUITS of all wool that dry in a minute. Several \$2.75 to \$4.95

This sale couldn't have come at a better time for it is right now that you want an inexpensive cretonne to make gay pillows for the hammock and porch, or to recover the cushions on the porch furniture and of course, the summer cottage will take yards and yards of cretonnes for draperies and matching pillows and scarfs. Too, the wise housewife will make some slips for her upholstered furniture and thus save it from fading and dust. These are high grade cretonnes, 36 inches wide and in all the new 1924 patterns.

SUNDOUR CRETONNES, vd. against fading from sun or laundering and come in delightful chintz designs.

A beautiful material in stunning and col rful designs. This material is used not only for drapes, upholstery, etc., but pretty and smart bathing capes. TAPESTRY PATTERN
