When the Democratic Convention Last Met in New York

LMOST afty-six years have the place of Ward passed since the Demo-cratic Convention last met in New York.

In 1868, when Horatio Seyto take the place of "secionary," mar governor" of New York, was nominated to battle with General Grant, the outstanding figures of the convention were the "Big Four." Bill ("Boas") while neither "so-clear" new rolling have mean some Tweed made his name mean some clety" nor politics have lost many thing—and his assistants were of their crudities, their spirit still lives.

("Brains") Sweeny and Richard
B. ("Slippery Dick") Connoily.
August Belmont was one of the most liberal Wall Street angels of our remissions by old fogeys—it is

Boston Jack Sharkey, ex-navy ran when he was

most liberal Wall Street angels of the party treasury.

The swellest delegates stayed at the Astor House—where is it now?—and there were also the Metropolitan, the Brandreth and the Prescott House—all gene and for gotten. There were no cabe or street cars—there were only buses, victorias and old-fashioned legs. Yes—it was as far back as that!

The thought has stirred up a flood of "I remember when from the old folks and "What was it like?" from the young ones.

These United States of those days would seem very—let us say in 1870 New York was a tre-Gi

the social whirl. Society displayed itself at first nights at Wallack's Theatre, wearing gowns whispered to be worth \$500. Oh. yee, and when a hostess wished to give a party, she would ask the sexton of her church to furnish a list of suitable names.

Ab, alas, there were over 2,500 gambling houses in New York then! They were called "sambling walked down the size and gave walked down the size and gave then! They were called "gambling walked down the size and gave hells"—even Ward McAllister call three more bright women the sale

Set at Brooklyn, 12-5.

The incians got to within nine points of the first division when they took two from the White Soz, 4-3 and 4-1.

Where the striking Hockacher Building Hockacher Building now stands there ware small shops, with a brook a few square as gay. Broadway was five miles long and went all the way up to Central Park and the real "Gay White Way" was between Union Square and Twenty-third street.

Fashion reigned on Second avenue between Seventh and Fifteenth streets (it is tashionable for accial workers only, now) and St. Mark's Place was the center of the social whirl. Society displayed finelt at first nights at theman, brings to a disastress and

when the only men in it that has sand enough to not shake hands with Boss Tweed is a Southerner that sin't got any money. McAlisthat ain't got any money. Mealister's brave enough to do that, and I've seen pewholders come clear across Wall Street to talk to that damn hog. Oh, they'll have meetings in a club and talk about what decent citizens ought to do to Tweed, but they won't do a thing themselves. Tweed must laugh his jaw acre!" his jaw sore!"

The war's changed society," says a Southern officer in the book. "I truly think that people are much more free and easy than they were. The girls drink champagne just like anything. Some people are awful shocked."

Well, they are still shocked—or is it again shocked? The flap pers of those days are now great-grandmothers of the flappers of these days. There has been some-body in he shocked.

Gone are the days of Rupert's Hotel," and the "Salle Diabolique" on Broadway, and the restaurant on Water Street with the sign "Gents Will Pless Keep on Thier Shirts While Eating." Rven Medison Square Garden tracif will so necessaries

reatest on rieming companies charging a general conspira-cy among them to violate the Sherman ti-trust laws.

The court was asked by Attorney General Stone, who announced the suits here, to prevent and restrain the com-

announced the suits here, to prevent and restrain the companies from what the government charged was "combination and conspiracy in restraint of trade and commerce" among the several states and with foreign nations in gasoline, kerosene and other hydrocarbon derivatives.

The suit was described at the department of justice as the greatest attack ever made by the federal government on trusts and monopolies.

Chief among the defendants in th suite were the Standard Oil Companies of Indiana, New Jersey, California, Kansas, Kentucky, Lousiana, New York, Ohio, the Texas Company, American Refining Company, and the Aetna Refining

of four to escort permanent Chairman Senator Thomas J. Walsh to Platform. Address by Walsh. Report of Committee rules and order of business.
