The state of the s

Attention of the customers of the Manchester

Electric Company is called to the following: The Company now has in service over 5,000 neters and most of these involve monthly collections of comparatively small sums. As a whole, the Company's consumers are very prompt in the settlement of their accounts but there are some consumers who are careless and make necessary many visits of a collector. In order to avoid the expense of this collection, which must, in the long run, he charged to the whole service, the Company will discontinue its present collection service and rely on a strict enforcement of its rules to protect its collections. The following plan will be follow-

1st-Bills will be rendered monthly and will be

due and payable within 15 days of their date. 2nd-If an account has not been paid as above, the amount due will be added to the next monthly bill and the total sum must be paid within 15 days

from the date of this bill. 3rd-If at the date of the next monthly bill, there is still an overdue account, the customer will he notified that his entire indetedness to the Company must be paid within the next 15 days or his service will be discontinued without further no-

4th-After the discontinuance of service for non-payment of account, it will only be resumed after the Company has been settled with in full.

plus a charge for re-connecting of \$1.00. Bills are to be paid only by check sent by mail or by cash or check left at the Company's Office. in Cheney Brothers' office building on Hartford Road, or at the Company's Branch Offices, on Oak street, South Manchester, or at Murphy's Drug Store, Manchester.

For the benefit of all concerned the above rules will be strictly enforced and we trust we will have the cooperation of our customers to this end. The Company's offices are available for the paying of
